No wonder he hates you! And who the hell appointed him to this high position? Where's the proof of that?"

Paul

What do you think to set up on reddit community - for Heterodox Bayanism ??

Dale

I think Wahid Azal would only make it another target of his....just as he does anything else he cannot control and use for his toxic purposes. Focus on your Facebook group and your blog, for now. But....you can certainly come and discuss your ideas at r/exbahai.....Azal can't go there and its mods are tolerant of diverse points of view.

Dale

You can also visit r/UnitarianUniversalist. It's a subreddit I mod, so you would be safe there too.

Avoid r/bahai. It is a notorious echo chamber that has its mods run it with an iron fist.

Paul

So better not to open a new reddit , because wahid azal will attack

let's we stay on exbahai reddit 😊

Dale

He did just that in a new Unitarian Bahai subreddit after I began posting there. I banned him from it and then left it to return to r/exbahai.

Paul

ok , then I won't be opening a new Reddit for our sake

Dale

You might get some pushback from members thinking you might be no better than Azal.

Paul

i dislike cult like gurus

Paul

doesn't matter someone worship jesus , bahauallah , muhammad or wahid azal , if someone love and worship more prophet than god , this is cult-like system "organisation"

Dale

You are on the right track. To me, there is no true religion.....only true people. Ironically, Wahid Azal has made me think that Satan may be real.....he embodies what I always thought Satan or the Devil was.

Paul

I preach strong monoteism , I refuse dualism of christianity - fighting of good god and bad good . Mankind is source of evil and goodness , satan is only angel who hear will of God and satan himself is angel of destruction (send diseases , death and all calamities on world)

Dale

Thanks for explaining

Paul

There is a lot of good in Christianity, Islam and Babism, but they all went their separate ways in understanding the one book of Tanakh. I understand that the Tanakh may seem cruel and old-fashioned, but it is full of prophecies - so cruelty is also contained there, about the fulfillment of things that have come and that will come. If you strip away all the trappings of Christianity, Islam and Babism, without the Persian trappings that are pagan, you get the religion of Abraham, Isaac and Jacob without adding the teachings of the rabbis. I preach this kind of Judaism without the teachings of rabbis, without the teachings of pastors, priests and imams. Everything that is incompatible with Tanakh should be rejected, and one should choose from the books what is good and right - from the Talmud, from the New Testament, from the Quran, from Persian Bayan etc.

Paul

I do not reject Jesus as a prophet , I do not reject Muhammad or the Bab , but some who follow them worship the creature more than God and over-interpret the words of God.

Paul

I am not defending any religion Judaism either , because what the rabbis teach is contrary to Tanakh. It takes effort to prepare for the "New Earth and New Heaven." , for renewal and one needs to look for the correct meaning in Tanakh.

e.g. Christians say that "abominable" is homosexuality, yet the Tanakh says that "abominable" is cult-like male prostitution ? How do Christians over-interpret the Hebrew Bible , why do they do this ? Because they follow the teaching of their pastors and priests instead of reaching for the correct meaning themselves.

Paul

The death penalty was not carried out literally in Tanakh, instead of the death penalty a fee was paid to the one who did the damage, so "an eye for an eye, a tooth for a tooth" cannot be over-interpreted by Christians and Muslims, it has a different meaning which we ourselves must learn

Paul

In the same way the word Messiah is over-interpreted by Christians , it does not mean "Savior" but the anointed one. Jesus was the "anointed one" like Moses , and there have been many messiahs like Cyrrus , and there will be a final Messiah which Jesus is not

Paul

Thank you , bye

Hello friends ,

I think wahid azal have eaten all brains - Hi , listen what wahid azal think about it - <https://www.youtube.com/watch?v=13dq5B3OQsw>

Dale

I can hardly stand that buffoon.

He should be locked up.

Paul

I don't claim to be the messiah, where does he get such nonsense, it's all lies

Paul

once I said that everyone can take the example of the last mahdi , to exhibit his qualities as to exhibit the qualities of Jesus , this does not mean that I am a mahdi ??

Paul

Christians are little christ and Im little mahdi , or little christ , believer not leader or guru

Paul

stretched one word in my commentary to make me look like an idiot, My goal is to spread love of neighbor and God, nothing more, my version of Bayan is no better than any other denomination

Paul

see you later

Paul

I try and here people, they spit on me, and not only wahid azal but also Christians Wyslano some said even "Im antichrist" , what people make such hatred , Im not hurting anyone?

Dale

Stephen Beyer used to cause me trouble 2 years ago.

He's an idiot

Paul

Maybe one day we'll talk over skype if you have time, because it's hard to convey something like that. I do not claim anything so far I am not "cuckoo". Tell me when you would like to talk by skype, I will contact you

Paul

Is beyer brainwashed by wahid or he like to be brainwashed??

Paul

It seems to me that Wahid Azal hates the Quran and the Bible because these books testify to his connection to the occult and this is forbidden

Paul

Quran and Bible revealed also that Wahid Azal is guru of cult

unfortunately this is truth

take care , bye

I listen now video further - wahid azal dislike to be criticized , I can be criticized I do not care

Im fallible and I never claim to be omniscience

I never like to be on top of candle , and Im here to serve other people and I do not think Im important

11/02/2022, 09:19

Paul

Wahid Azal accuses me of Nazism, it is a book, however, that my family was a victim of Nazism, my grandfather was in a labor camp and my grandmother's two brothers were burned in Dachau for being in the Home Army (AK) and being Polish. Wahid Azal does not really know what World War II was about its horrors, calling anyone a

 Nazi, especially since he does not know me, is insulting and offensive.

Dale

 In the past, I have written about ugly issues like racism, pedophilia, and suicide on my blog and/or my YouTube channel, because those things DESTROY LIVES. So what did Wahid Azal do? He accuses ME of being a racist, a pedophile, and suicidal. That's like reading Mein Kampf and then accusing its author, Adolph Hitler, of being a Zionist! Yes, that's how much of a LIAR Azal is! What a sick bastard!!!

"They hate him who reproves at the gate,
And they abhor him who speaks honestly" (Amos 5:10)

Armin

 Hello everyone

I just had discussion with theravada buddhists last night, in depth

 does Bab anywhere refer to Buddha in any way?

12/02/2022, 01:38

Shaykh

 

Shaykh

 No Báb didn't mention Buddha

 But Bahauallah did

Dale

 Nor did Baha'u'llah, as far as I am aware. 

Shaykh

 I have not read but I have some baha'i friends . They told me

Dale

 Oh, Baha'is claim the Buddha was a Manifestation of God.....which is a gross misrepresentation of how actual Buddhists see him.

Armin

 yep. Buddhist see him as a perfected man who overcame suffering. According to all scripture available, he didn't believe in God. 

Shaykh

 But bahais believe Buddhists have forgotten his teachings

Shaykh

 I mean as muslims believe jews and Christians have distorted their teachings, in the same way Buddhists have distorted the true teachings of Buddha

Armin

 it is nonsense approach. One can forget some teachings, rituals, or principles, but to forget that their leader was an atheist, is nonsense. It's not a small thing. 

Shaykh

 Second thing as we have the earliest Torah manuscript dated 200 bc, same as we have the earliest manuscript of Buddha approx 500- 700 years after

Armin

 500 yes.

Shaykh

 You are right. But bahais have written a book , Buddha the amitaba, where they have shown that Buddha believed in one God

Armin

 but still. Belief and nonbelief in God is a core principle of any religion. It is not something that could be just "forgotten".

Shaykh

From Buddhist scriptures

Yes

Armin

well, the whole point of buddhism is to enter nirvana. which is basically to be extinguished.

Dale

Buddhism evolved from Hinduism and shares some concept. The Buddhist "God" was certainly not the one of the Jews, Christians and Muslims.

Armin

that is radically different from belief in God and any hereafter

No. There is no "Buddhist God" at all. No such thing. Not similar , nor different.

Shaykh

Jamshed Fozdar presents the Buddhist teaching of an unknowable reality as referring to the concept of God, for example in the following passage from the Udana (v.81) in the Khuddaka Nikaya: "There is, O monks, an Unborn, Unoriginated, Uncreated, Unformed. Were there not, O monks, this Unborn, Unoriginated, Uncreated, Unformed, there would be no escape from the world of the born, originated, created, formed. Since, O monks, there is an Unborn, Unoriginated, Uncreated, Unformed, therefore is there an escape from the born, originated, created, formed."

Shaykh

Buddha did not exactly teach about God, but :

1_He announced the coming of Buddha Amitabha granting 'infinite life'. Infinite life corresponds to the eternal life that Jesus grants in the Gospel.

2_He announced the End of Times, which is common to Islam, Christianity, Hinduism and Zoroastrianism.

3_The image of a god does exist in Buddhist literature, at least twice : in the parable of the Three Carts and the Burning House, and in that of the Skilled Physician and his Sick Children, which both appear in the Lotus Sutra. There is also the concept of the Unborn (Anutpada) that may refer to God.

Armin

yes, that is common mistakes from some authors to make that comparison. However sunyata, the unborn is the emptiness. Not a God. It is something completely different. It is void, nothingness and ultimate extinction. It has nothing to do with God, who is Love, Peace and Truth.

08/03/2022, 07:13

Paul

Dear friends, I am very happy that you are here with me , although we barely know each other we have a common goal. I would like to share my message further with people in public (so that the light of the Bab can enlighten all people), not only through Facebook. Do you have any suggestions how to name our religion? Please send your suggestions here. Your opinion is very important to me . Would you like to meet for prayer in naw ruz on march 20 via skype with me? thank you
We could be building a better world right now if we have the means to do so

Paul

I understand that people in public may initially see this denomination as a cult (because it is not similar to Christianity) , but am I forcing you to do something ? or am I rather preaching what is good and not going to hide it

Paul

Together we can reform the Baha'i Faith, and restore the Bayani Faith, may God help us in our endeavors, we have a chance to grow as a religion without expecting to raise money. And the purpose of God is certainly not to collect money, but to make people realize that He exists and He loves people.

08/03/2022, 11:06

Dale

For me, the main priority would be to expose and discredit Wahid Azal for the charlatan he is. And his association with the Bayani Faith badly damages its own credibility. I can support you in that but my own personal interest is in promoting Unitarian Universalism.

Dale

You can be a Baha'i, a Bayani, an atheist, a Christian, or a Muslim among the UUs as long as you accept the UUs Seven Principles.

Dale

Wahid Azal is to the Bayani Faith what the Universal House of Justice is to the Baha'i Faith. We have a long, uphill war to fight, but it is necessary!

08/03/2022 17:29

Shaykh

What are those seven principles?

08/03/2022, 18:03

Dale

They are listed here: <https://www.uua.org/beliefs/what-we-believe/principles>

1st Principle: The inherent worth and dignity of every person;
2nd Principle: Justice, equity and compassion in human relations;
3rd Principle: Acceptance of one another and encouragement to spiritual growth in our congregations;
4th Principle: A free and responsible search for truth and meaning;
5th Principle: The right of conscience and the use of the democratic process within our congregations and in society at large;
6th Principle: The goal of world community with peace, liberty, and justice for all;
7th Principle: Respect for the interdependent web of all existence of which we are a part.

09/03/2022, 04:03

Shaykh

Bahauallah has already said it

09/03/2022, 07:40

Paul

but not only bahauallah preach it , jesus and muhammad , and bab preach the same principle , those are universal principles

Paul

All of these principles are preached by all revelators to a greater or lesser degree. I am only explaining the books, it does not mean that I am infallible, and I do not intend to call myself someone special

Paul

bahauallah took for example equality of men and women, unity of humankind , One God from Bab writings . I now understand that is opportunistic and claiming of His godhood is irrelevant and harmful for Unity of God he own preach

Paul

In Bahai faith is a lot of contradictions , is my efforts to correct it and go on strength path

"Bahauallah has already said it" he has not be first quackers were first I reckon

Paul

I am not an enemy of the wahid azal or the Baha'i, I just don't agree with sectarianism and the exaltation of man in place of God, or the deification of man in general because it harms everyone as an individual and everyone around
Take care, all of you

Paul

Bab's concept on "Manifestations of God" is not to idolize the prophets , Bahauallah was wrong in calling Jesus God and himself called God equal to the Father. Manifestations of God reflect divine qualities are mirrors reflecting the light of the sun . Bahauallah even called himself "the sun" , "I am the Sun of Wisdom and the Ocean of Knowledge. I cheer the faint and revive the dead. I am the guiding Light that illumineth the way. I am the royal Falcon on the arm of the Almighty. I unfold the drooping wings of every broken bird and start it on its flight" (Bahá'u'lláh)
Bahauallah was an idolater and worshipped himself, the Kitab and Aqdas holy Book of Bahai calls Bahauallah directly the incarnation of God - all this is inconsistent with Tanakh , even with the New Testament and even more so with Quran and Persian Bayan

This is as much as I would like to convey

Paul

It seems to me that Bahauallah was schizophrenic, claiming to be "God in the flesh". a lot of them walk the earth and claim that. Bahauallah wrote infinite number of Tablets, his prophecies did not come true or he prophesied something after the fulfillment of this prophecy (everything can be examined, I do not like lies and I will not absorb the Baha'i fables as well as the fables of Muslims and Christians, including Jews)

Paul

Unfulfilled prophecies of Bahauallah -
<https://www.manyprophetsonemessage.com/2018/05/24/false-prophets-series-part-3-bahauallah-and-abdul-baha/>

09/03/2022, 09:03

Paul

Examples where Bahauallah claimed to be "God in the flesh"

Names and attributes of God and/or Bahá'u'lláh, K18, K60, K110, n23, n147, p95 Almighty, K6, K16, K37, K38, K40, K49, K80, K101, K163, K175, K176, K177, n86, n144, n170, p16, p95, p98 - LIE
Only God is Almighty, how can an Infinite Spirit dwell in a human body - this teaching is pagan and Bahauallah lied
The worst part is that the Baha'i sing Bahauallah songs like some Trinitarian Christians do to Jesus. That is the difference between Jesus and Bahauallah , Jesus never simply declared "I am God" so Jesus was a true prophet and Bahauallah claimed to be "God in the flesh" so he was not a prophet

Ancient of Days, K80, K86, K97, Q96, Q105 - LIE
"Ancient of Days" is the title of God , God is eternal , Bahauallah is dead

Creator, see Creation - LIE
God is only Creator, not man, and so is the New Testament (which is chaff mixed with pagan fairy tales to the bone)

Everlasting, K41, K86, n160, Q105 - LIE
Bahauallah was not eternal, his Tomb is in Haifa

Exalted, K30, K56, K80, K94, K132, n144, p92, p95
Bahauallah exalted himself?

Mankind, K8, K16, K26, K154 - LIE
Bahauallah was not the Lord of all Mankind

Beginning and end, K16, K28 - LIE
Another blasphemy, only God has no beginning and no end

Omnipotent, K6, K24, K100, K132, K184 - LIE
Omniscient, K6, K43, K60, K97, K110, K132, K138, K143, K146, K151, K159, K160, K164, K175, K179, Q96, Q101
Blasphemy - Only Allah is Almighty , not Bahauallah

Divine inspiration, K1 - LIE
Bahauallah as God cannot be an inspiration to anyone , he did not exist at the time of Tanakh , New Testament or Quran - mother and father had not yet begotten him at that time ??

Unrestrained, K6, K18 - LIE
These are attributes of God, Bahauallah cannot be God because these are attributes of God

<http://www.theaqdas.org/kindex.php?letter=Names%20and%20attributes%20of%20God%20and/or%20Bah%C3%A1%E2%80%99u%E2%80%99l%C3%A1h>

Some say that Bahauallah is misunderstood - but why claim to be "God the Father in the flesh" just as most (not all) Christians claim that Jesus "is God in the flesh" , this is the worst form of idolatry and blasphemy.
Similarly, Hindus claim their avatars and other idols.
All cults are based on the worship of man in place of God.

John 1:14 " And the Word became flesh and dwelt among us. And we beheld his glory, the glory which the only begotten receives from the Father, full of grace and truth."

The Holy Spirit was in Jesus , so He became the Word , Jesus was the purpose created in Mary's womb to become figuratively "son" for mankind , give them the knowledge of God and show them the Love of the Father.

Trinitarian Christians misrepresent everything, likewise Bahauallah wanted to become like the pagan "Jesus" of Trinitarian Christians the "incarnate Word" which is a doctrine foreign to Judaism (originated in Greece, Hellenization of Christianity) , and Jesus was a Jew , so he could not blaspheme God who created him as a purpose to "save"? (enlightenment) of mankind?

Paul

The Apostle of Prophet Jesus, Apostle Paul warns us not to trust other "Jesus" (Gentile Jesus, Eucharist, Tammuz hanging on the cross, Tammuz as baby Jesus). The worst part is that the Jews blaspheme Jesus because Christians wanted to forcefully turn away from Judaism and distinguish themselves from them completely
"For if someone comes and proclaims a Jesus other than the One we proclaimed, or if you receive a different spirit than the One you received, or a different gospel than the one you accepted, you put up with it way too easily" (2 Corinthians 11:4)

Paul

Have a nice evening

09/03 21:48

Shaykh

How can infinite God dwell in burning bush?
How can Jesus proclaim one who has seen me , has seen Father.
How can Quran says one who take oath on the hand of Muhammad has taken oath with God.
How can Báb wrote a letter to "whom God make manifest" as
A letter from God to God...
Please check these things first.

Shaykh

You are not differentiating this thing that when Bahauallah said something it is God who is speaking , through the mouthpiece of Bahauallah

10/03/2022, 00:33

Paul

How can an infinite God dwell in a burning bush?
It is not stated that He "dwelt in a tree" but that He came down to a bush - there is a difference
Doesn't that mean you should worship the bush because God came down to the bush?
Exodus 3
<https://www.biblegateway.com/passage/?search=Exodus%203&version=NIV>

How can Jesus proclaim that he who has seen me has also seen the Father?
Jesus uses poetically that "he who sees the Father sees God in Jesus".
It is simple Jesus as a mirror had the characteristics of God the Father but was not the Father.
Jesus never said he was the Father , on the contrary Jesus said he was the "Son of God" which is simply a prophet. Jesus expresses divine attributes by that he is Manifestation of God but he is not equal to Father, so Muhammad and Bab are not

God and there is only One "Sun" - One God.
"So Jesus replied, 'Truly, truly, I tell you, the Son can do nothing by Himself, unless He sees the Father doing it. For whatever the Father does, the Son also does' (John 5:19)

10/03/2022, 03:55

Shaykh

Bahau'llah never claimed to be God

Shaykh

Baha'u'llah taught that God in His essence is unknowable:

The conceptions of the devoutest of mystics, the attainments of the most accomplished amongst men, the highest praise which human tongue or pen can render are all the product of man's finite mind and are conditioned by its limitations. Ten thousand Prophets, each a Moses, are thunderstruck upon the Sinai of their search at His forbidding voice, "Thou shalt never behold Me!"; whilst a myriad Messengers, each as great as Jesus, stand dismayed upon their heavenly thrones by the interdiction, "Mine Essence thou shalt never apprehend!" From time immemorial He hath been veiled in the ineffable sanctity of His exalted Self, and will everlastingly continue to be wrapt in the impenetrable mystery of His unknowable Essence. Every attempt to attain to an understanding of His inaccessible Reality hath ended in complete bewilderment, and every effort to approach His exalted Self and envisage His Essence hath resulted in hopelessness and failure. GWB.062-3

10/03/2022, 04:57

Paul

I appreciate that Bahau'llah was saint , for me he is saint and Holy man , but he is not prophet cause of claiming of "godhood"

Im not Bahau'llah , I follow what other prophets said before including Bab

Paul

"You have your way, and I have my way". (Koran 109:6).

Who agrees with me to call this denomination
"Unitarian Bayanism" ?? , calling it a "sect of Bayanism" has a bad response to outsiders. There are Unitarians in my nearby city and I will join them in Unitarian Universalism

12/03/2022, 07:39

Dale

That's a good idea. That name would also imply a connection with Unitarian Baha'ism too.

12/03 14:26

Shaykh

There is no such sect as Unitarian bayanism or Unitarian bahaism. They are already Unitarians

From academic point of view such concepts are going to work . And we should not take them seriously

13/03/2022, 07:11

Paul

Unitarian Universalism evolved from Unitarianism -
https://en.wikipedia.org/wiki/Biblical_unitarianism

Lets stay with Unitarian

Dale

That is correct. When most Christians adopted the Trinity as a theological concept in the days of the Roman Empire, the credibility of that religion was damaged.

I have no interest in becoming a Bayani, but I wish you luck in gaining new followers, Paul. If anyone can discredit Wahid Azal by showing what a true Bayani is, you can. Meanwhile, I have my own battles to fight and I am content to leave Wahid in the dust forever.

First thing is you have to understand that the writings of Báb written before persian bayan is all abrogated because that is based on islamic Shari'ah. Second thing you have to translate all writings of Báb written from persian bayan till his martyrdom

You can translate my Commentaries and Sermons into your Urdu language, that's the language you speak, maybe that way people will get some clarity in their heads. The sooner we do that, the sooner the Lord will return, as he predicted that "the ends of the earth will be filled with his knowledge". (Habakkuk 2:14) - that is what I want to strive for.

Wahid Azal's erroneous teachings - Part 1

1. he teaches about "Goddess" but God is One and He has no ordinal self
<https://wahidazal303.blogspot.com/search/label/goddess>

Tarot cards Mr. Wahid Azal uses as a response to the "hidden" and occult supposed
meaning of the star Haykal

"Goddess", the "High Priestess" is otherwise the "Queen of the Heavens" as
described in the Bible & Quran i.e. the demon "Queen of the Heavens". If Wahid Azal
is indeed a shita (which is not true) then he would have at least some respect for the
Quran - but there is none with him. The Quran is quoted in the writings of the Bab -
so does this mean that the Quran is not inspired , or rather that Muslims misinterpret
it like New Testament Christians. Wahid Azal misinterprets what he sees in the
"Haykal" . The Bible as well as the Quran states not to follow supposed prophets who
contradict it , the Bab renewed true Islam and replaced the Quran by the Bayan , and
the words of the Quran are still alive in the Book of Bayan
Muhammad fights like the Old Testament prophets against the worship of the
demons Al-Lat & Al-Uzza , these two demons in the form of women representing the
"Goddesses" of the pagans & the "Queen of Heaven" , who is the queen of magi ,
sacred prostitution & fertility. Wahid Azal mentions Angels , it is true that
Muhammad also fights against the notion that / are "women" but they are not,
I will give Tafsir ibn-Kathir as evidence:

"Refuting idolatry, Al-Lat and Al-'Uzza".

Allah Most High rebukes the idolaters for worshipping idols and taking rivals to Him.
They have built houses for their idols that resemble the Ka'bah built by the Prophet
Ibrahim, the Khalil of Allah.

أَفَرَأَيْتُمُ اللَّاتَ

(Did you consider Al-Lat then,) Al-Lat was a white stone with inscriptions on it. In At-
Ta'if there was a house built around Al-Lat with curtains, servants and a sacred
courtyard around it. The inhabitants of At-Ta'if, the Thaqif tribe and their allies,
worshipped Al-Lat. They boasted to the Arabs, with the exception of the Quraysh,
that they had Al-Lat. Ibn Jarir said: "They derived the name Al-Lat from the Name of
Allah and made it feminine. Allah is far from what they attribute to Him. It has been
reported that Al-Lat is pronounced Al-Lat because, according to Abdullah bin
Abbas, Mujahid and Ar-Rabi' bin Anas, Al-Lat was a man who used to mix Sawiq (a
kind of barley mash) with water for the pilgrims at the time of Jahiliyyah. When he
died, they stayed beside his grave and worshipped him." Al-Bukhari records that Ibn
'Abbas said of Allah's statement,

اللَّاتُ وَالْعُزَّى

(Al-Lat, and Al-'Uzza) "Al-Lat was a man who used to mix Sawiq for the pilgrims". Ibn
Jarir said: "They also derived the name for their id / Al-'Uzza from the Name of Allah
Al-'Aziz. Al-'Uzza was a tree on which the idolat / placed a statue and veils, in the
Nakhlah area between Makkah and At-Ta'if. The Quraysh worshipped Al-'Uzza".
During the Battle of Uhud, Abu Sufyan said: "We have Al-'Uzza, but you do not have
Al-'Uzza". The Messenger of Allah replied,

"قُولُوا: اللَّهُ مَوْلَانَا وَلَا مَوْلَى لَكُمْ"

(Say: "Allah is our support, but you have no support") Manat was another idol in the
Mushallal area near Qudayd, between Makkah and Al-Madinah. The tribes of
Khuz'a'ah, Aws and Khazraj used to worship Manat at the time of Jahiliyyah. They
used to announce Hajj to the Ka'bah from a place next to Manat. Al-Bukhari collected
the utterance of A'ishah with this meaning. There were other idols in
the Arabian Peninsula that the Arabs worshipped as they worshipped
the Kabah, in addition to the three idols that Allah has mentioned in His Glorious
Book. Allah has mentioned these three here because they were more famous than
the others. An-Nasa'i records that Abu At-Tufayl said: "When the Messenger of Allah
conquered Makkah, he sent Khalid bin Al-Walid to the area of Nakhlah, where the
idol Al-'Uzza was erected on three trees in the forest. Khalid cut down the three trees
and approached the house built around it and destroyed it. When he returned to the
Prophet and informed him of this story, the Prophet said to him,

"ارْجِعْ فَإِنَّكَ لَمْ تَصْنَعْ شَيْئًا"

(Go back and complete your mission as you have not completed it.) Khalid returned
and when the prophet saw him, he said: "O Khalid, you have not completed your mission."

and when the custodians, who were also his servants, saw him, they began to invoke calling Al-'Uzza! When Khalid approached, he found a naked woman whose hair was disordered and who was throwing sand on her head. Khalid killed her with his sword and returned to the Messenger of Allah, who said to him, "بَلَّغِ الْغُرَىٰ" (It was Al-'Uzza!)" Muhammad bin Ishaq narrated: "Al-Lat belonged to the Thaqif tribe in the At-Ta'if area. The Banu Mu'attib were the guardians of Al-Lat and his servants." I say that the Prophet sent Al-Mughirah bin Shu'bah and Abu Sufyan Sakhr bin Harb to destroy Al-Lat. They carried out the Prophet's order and built the Masjid in the city of At-Ta'if in its place. Muhammad bin Ishaq said that Manat used to be the idol of the tribes of Aws and Khazraj and those who followed their religion in Yathrib (Al-Madinah). Manat was located near the coast, close to the Mushallal area of Qudayd. The Prophet sent Abu Sufyan Sakhr bin Harb or Ali bin Abi Talib to demolish it. Ibn Ishaq said that Dhul-Khalasah was the idol of the Daws, Khatham and Bajilah tribes and the Arabs who inhabited the Tabalah area. I submit that Dhul-Khalasah was called the Southern Ka'bah and the Ka'bah in Makkah was called the Northern Ka'bah. The Messenger of Allah sent Jarir bin Abdullah Al-Bajali to Dhul-Khalasah and he destroyed it. Ibn Ishaq said that Fals was the idol of Tay' and neighbouring tribes from the Tay' mountain such as Salma and Ajja. Ibn Hisham said that he was told by some scholars of knowledge that the Messenger of Allah sent Ali bin Abi Talib to Fals and destroyed it, and found two swords in its treasure, which the Prophet then gave to Ali as spoils of war. Muhammad bin Ishaq also said that the Himyar tribes, and Yemen in general, had a house of worship in Sana' called Riyam. He mentioned that it contained a black dog and that the religious men who went with Tubba'a removed it, killed it and demolished the building. Ibn Ishaq said that the Sindad' was a building of Bani Rabi'ah bin Ka'b bin Sa'd bin Zayd Manat bin Tamim, which Al-Mustawghir bin Rabi'ah bin Ka'b bin Sa'd had demolished after Islam. In Sindad was Dhul-Ka'bat, the idol of the Bakr and Taghlib tribes, the sons of Wa'il, and the Iyad tribes. Refuting idols that nominate rivals of Allah and claim that the angels were women Allah Most High said, أَفَرَأَيْتُمُ اللَّاتَ وَالْعُزَّىٰ - وَمَنْوَةَ الثَّالِثَةَ الْآخَرَىٰ (Did you then consider Al-Lat, and Al-'Uzza. and Manat, the second third), then Allah said, أَأَنْتُمْ الذَّكَرُ وَلَهُ الْإِنثَىٰ (Are they males for you and females for Him) Allah asked the idolaters, "Do you choose female offspring for Allah and give yourselves preference with males Had you made such a division between yourselves and the created, then, قِسْمَةٌ صِغَرَىٰ (a division most unfair!); meaning that it would be an unfair and unjust division. 'How is it that you make this division between yourselves and Allah, although it would be unwise and unjust if you made it between yourselves and others' Allah the Exalted refutes such innovative lies, falsehood and atheism that they have invented by worshipping idols and calling them gods, إِنَّ هِيَ إِلَّا أَسْمَاءٌ سَمَّيْتُمُوهَا أَنْتُمْ وَآبَاؤُكُمْ (These are only the names you have named - you and your fathers) out of your own desire, مَا أُنْزِلَ إِلَهُ يَهَا مِنْ سُلْطَانٍ (For which Allah has not sent down any authority.) Which means, proof, إِنَّ يَتَّبِعُونَ إِلَّا الظَّنَّ وَمَا تَهْوَى الْأَنْفُسُ (They only follow conjecture and what they themselves desire.) they have no proof except their trust in their ancestors who took this false path in the past, as well as their lusts and desires to become leaders and thus gain honour and respect for their ancestors, وَلَقَدْ جَاءَهُمْ مِنْ رَبِّهِمْ الْهُدَىٰ (while surely a guidance came to them from their Lord!), meaning that Allah sent them Messengers with clear truth and unequivocal proofs. However, they did not adhere to or follow the guidance that came to them through the Prophets." <https://quran.com/en/an-najm/19/tafsirs>

Similarly to Muhammad, the Prophet Jeremiah spoke of the "Queen of Heaven", that is, demons who take the form of a woman or the form of a female angel, through them following their worship and adoration. Some demons, desiring to be worshipped, take the form of the Prophet Jesus' deceased mother, Mary. Other names for the "Queen of Heaven" are Asherah, Semiramis - meaning "rebel"., it is a spiritual reflection of the spirit of Semiramis the wife of Nimrod. The shape of the Christian domes (Orthodox, Catholic, which penetrated later into Islam) has to do with the worship of the "Queen of Heaven". which has to do with the fact that she is the "Queen" of the Hive, and the dome symbolises the "Hive". God says not to turn to anyone of the vintage of Himself, and whoever turns with reverence to the "Goddess" sins and will not be blessed. "The Goddess" was the wife of Molech or false God to whom child sacrifices were offered in ancient Israel.

"17 But we will do all that we have vowed, we will offer sacrifices to the queen of heaven and pour out drink offerings to her, as we have made, both we and our fathers, our kings and our officials, in the cities of Judah and in the streets of Jerusalem. For then we had plenty of food and prospered, and we saw no calamity. 18 But since we have desisted from offering sacrifices to the queen of heaven and from pouring drink offerings on her, we lack everything and have been consumed by the sword and by famine." 19 And the women said 2 "When we sacrificed to the queen of heaven and we poured out drink offerings to her, was it without the consent of our husbands that we made cakes bearing her image for her and poured out drink offerings to her?" 20 Then Jeremiah said to all the people, men and women, to all the people who had given him this answer: 21 u "As for the sacrifices that you offered in the cities of Judah and in the streets of Jerusalem, you and your fathers, your kings and your officials, and the inhabitants of the land, did not the Lord remember them? Did it not come to his mind? 22 The LORD could no longer bear your evil deeds and the abominations you committed. Therefore your land became a desolation and a wilderness and a curse, without an inhabitant, as it is today. 23 It is because you offered team sacrifices, because you sinned against the LORD and did not listen to the voice of the LORD or walk in his law and his statutes and his testimonies, that this calamity has befallen you, as it is this day." 24 Jeremiah said to all the people and all the women: "Hear the word of the Lord, all you of Judah who are in the land of Egypt. 25 Thus says the LORD of hosts, the God of Israel: You and your wives have declared with your mouth and fulfilled with your hands, saying: 'We will surely perform our vows, which we have made, to offer sacrifices to the queen of heaven and to pour out drink offerings to her. Then confirm your vows and perform your vows!' (Jeremiah 44:17-25)

your vows and perform your vows: (Jeremiah 44:17-22)

Wahid Azal preach occult Kaballah and Tarot ,mi with teaching of Bab
<https://wahidazal303.blogspot.com/.../resolving-secret-of...>
 Allegedly called Bab occultist ,
 Even the Bahais say as do the Muslims that the number 9 which is sacred in Bayan has its origin in the Quran and not in the occult, and in this I agree. Likewise the 5 pointed star has no occult meaning. The number 9 is mentioned in the Quran, you can read about it in the Tafsirs, and Muhammad prohibits any occult practices. I will write explanation to his articles, because he claim untruth and many of his articles are harmful for both Bayanism and Bahai Faith

Are you waiting for the true Messiah?
 The fulfilment of these prophecies is evidenced by the work of the divine Shekinah - the Holy Spirit.
 The appearance in the world of a deviation from the Bible teaching that it is false will be accompanied by the appearance of four figures - the Christian Gog, the Jewish false Messiah, the Shiite Antichrist and the false prophet Pope. If the prophecies are fulfilled - you will not declare "he is not mad", you will see it with your own eyes. It is better not to mock what you do not see and what has not yet come true. Do not fear these prophecies and establish your faith in God who is the Most Perfect Messiah - He is the only "Saviour" of mankind.
 The first phase of the "war of Gog and Magog"
 The Christian Gog
 The prophet Ezekiel described the entire war and its course in Ezekiel 38-39
 The rebuilding of the Temple by Elijah - referred to by me as the "Last Messiah" & "New Jesus". Elijah preaches reconciliation between Muslims and Jews. Elijah as the "Last Messiah" brings Israel & Jude together
 "You are also called to spread faith among the nations in the One God whose infinite reign on earth will have no end. Before the return of the Lord and our God, we must seek to have all nations rebuild a temple to the Lord of the universe" (Sermon 13)
 The appearance of a False Messiah to the Jews because they rejected Jesus as a prophet. This man will persecute Christians and Muslims as said in the prophet Daniel He will "wear out the saints of the Most High" (Daniel 7:25)
 All who submit to him are of "every tribe, people, language and nation" (Revelation 13:7)
 The second phase "The appearance of the false Saviour" because they rejected Bab as a prophet.
 Shiite Antichrist "Son of Destruction".
 The Shiite Imams claim to be infallible and substitute the place of Allah like the Pope in Catholicism - this is the "Spirit of Antichrist", for in place of Allah they worship man. For this reason all those who have the "Spirit of Antichrist" want to rule over others, they want to conquer and destroy those who oppose them.
 "Is it not because of the Antichrist, the Spirit of Hate, that the people of the book hate each other! Is it not that the Antichrist is the tyranny of man, lording over and controlling men! Is it not that the Spirit of Antichrist is the worship of man in place of God!" (Sermon 14)
 The Shiites have rejected the Bab as well as Christ as the Revelator of God, so in His place there must be a "son of perdition"
 "The verb apolluein, from which the word is derived, has two meanings: (1) to lose; (2) to destroy. Both of these pass over the noun, so that apoleia comes to signify: (1) loss; (2) ruin, destruction" (International Standard Bible Encyclopedia)
 The Shiite Mahdi will preach peace, then declare war in its place.
 "So I looked and saw a white horse, and its rider held a bow. And he was given a crown, and he rode out to overcome and conquer" (Revelation 6:2)
 The Shiite Madi will preach utopian slogans without any corresponding deeds, but in reality he will bring wars and destruction to the world. He will give to the poor by stealing from the rich - an unjust, mutually harmful action.
 "In a time of peace, he will invade the richest provinces and do what his fathers and forefathers never did. He will lavish plunder, loot, and wealth on his followers, and he will plot against the strongholds-but only for a time" (Daniel 11:24)
 This false Mahdi will surround himself with splendour. He will not worship Jesus the Christian "object of women's desire" nor Allah nor Yahweh. He will love Allah of war 37 He shall care neither for the gods of his fathers, nor for the objects of women's desire; he shall care for no god, for he shall exalt himself above all things.
 38 In the place of God, he shall worship the god of strongholds, whom his forefathers

did not know; he shall worship with gold, silver, precious stones, and costly things.

39 He shall make fortresses that serve security to become foreign gods; and to whom he shall regard, to them he shall multiply fame and make them lord over many. For payment he will distribute the land to them. (Daniel 11:37-39)

The Shiite Mahdi will persecute the non-Muslims - "he "disbelievers"

"And it was given unto him to make war with the strong, and to overcome them: and power was given him over all kindreds, and tongues, and nations" (Revelation 13:7)

This Satan will act contrary to Muhammad's commandment of benevolence towards enemies, according to the guidance of this Hadis -

Zurarah asked Imam as-Sadiq ('a): "Will the approach and policy of Hadrat al-Qa'im ('atfs) be the same as that of the Prophet (S)?" The Imam ('a) replied: "O Zurarah! Never; never. He will not adopt the policy of the Prophet (S) (in dealing with enemies). The Prophet (S) used to deal with enemies leniently, gently and kindly in order to win their hearts and for the people to be acquainted with him. Hadrat al-Qa'im ('atfs), however, will adopt the policy of killing; he will act according to his order and accept no one's repentance. Thus, woe be to anyone who would oppose him!" (Nu'mani, Ghaybah, p. 231)

The Shiite Mahdi will be characterised by cruelty

Hiravi said: 'I asked Imam ar-Rida ('a): 'What is the first thing Hadrat al-Qa'im will do?' The Imam ('a) replied: 'He will first go to the tribe of Bani Shaybah and amputate their hands because they are robbers of the House of God'." (Uyun Akhbar ar-Rida, vol. 1, p. 273)

The Shiite Mahdi will hate the Sunnis as well as the Jews

Imam as-Sadiq ('a) said: 'When our Qa'im rises up, there will be no way between him, and the Arabs (in general) and the Quraysh (in particular) except the sword (and armed confrontation).' (Nu'mani, Ghaybah, p. 122)

The Arabs, like the Jews, were blessed by Allah in that they follow Allah and His word -.

"And as for Ishmael, I have heard you. Behold, I have blessed him, and will make him fruitful, and will multiply him exceedingly. He shall beget twelve princes, and I will make him a great nation" (Genesis 17:20)

The Shiite Mahdi will murder innocent followers of sect

Regarding the Batriyyah sect, the same Imam ('a) also said: 'After the uprising of Hadrat al-Qa'im ('atfs), he will proceed to Kufah; ten thousand people named Batriyyah, bearing arms, will hinder the Imam ('atfs) there, saying: 'Return to where you have been as we are not in need of the progeny of Fatimah.' The Imam will unsheathe his sword and kill them all." (Shaykh al-Mufid, Al-Irshad, p. 364)

The Shiite Mahdi will start a war against the armies of the Christians - "King of the South"

"25 "With a great army he will raise his strength and courage against the King of the South. The king of the South will wage war with a large and very strong army, but he will not be able to stand firm because of the conspiracies devised against him.

26 Those who eat from the king's stock will try to destroy him; his army will be wiped out and many will fall in battle.

27 Both kings, with hearts bent on evil, will sit at the same table and lie to each other, but to no avail, for the end will come anyway at the appointed time.

28 The King of the north will return to his country with great wealth, but his heart will be set against the holy covenant. He will take action against it and then return to his own country" (Daniel 11:25-28)

He will conquer Jerusalem, becoming the Lord of the "New World Order"

"22 Then an overwhelming army will be swept away before him; both it and a prince of the covenant will be destroyed. 23 After coming to an agreement with him, he will act deceitfully, and with only a few people he will rise to power" (Daniel 11:22-23)

The Shiite Mahdi will reign 7 years over his Devil Caliphate conquering Jerusalem and murdering Jews, Christians and non-Muslims

Imam al-Baqir ('a) said: 'During the uprising of Hadrat al-Qa'im ('atfs), he will present the faith to each of the Nasibis. If they accept the truth, he would release them. He will behead anyone who would not accept the faith, or ask him to pay the jizyah just as what they collect from the Ahl adh-Dhimmah, and he ('atfs) will banish him in remote villages and small towns." (Shaykh al-Mufid, Al-Irshad, p. 364)

The Shiite Madi intends to stop the burn offerings in the built Third Temple

"31 His army shall come forward to desecrate the temple-fortress, they shall stop the continual sacrifice, and they shall make an abomination there breathing void. 32 And those who transgress the covenant, he will incite to perversity with flattery; but the people who know their God will persevere and act." (Daniel 11:31-32)

False prophet - pope & false revelations of Jesus

The Prophet Jesus said that Shiites and Christians gone astray will await his return, only instead of awaiting Jesus, it will be a counterfeit of himself because he died and will not return again - he will appear to Tammuz for the whole world as Shiite Isaa, the companion of the Shiite Mahdi.

The Shiite Mahdi is the "Beast" of the Revelation of John

Shiite Mahdi demolishes the altar & ruins the 3rd Temple, kills the false Messiah of the Jews

The Sunni Imams rightly tell us that the false Messiah must be the Shiite Mahdi - and this is because the Shiite immams are worshipped on a par with Allah, it is the Spirit of the Opposite of Allah. This is not spewing hatred against the Shiite brethren, but is a statement based on Quran and the Bible. The persecution of the people who oppose the "Beast" who will preach the supposed peace at the beginning of its mission will last 3.5 years or 1,290 days.

"11 And from the time the daily sacrifice is abolished and the abomination of desolation set up, there will be 1,290 days" (Daniel 12:11)

Fire falls from Heaven and Destroys the army of the Mahdi, God kills the last pope "false prophet"

"And the beast was captured, and with him the false prophet, who performed miracles before it, with which he deceived those who accepted the mark of the beast and worshiped its image. They were both cast alive into the lake of fire, burning with brimstone" (Revelation 19:20)

The third phase of the "Deliverance of God's people" by God from the hand of Gog, the Jewish false Messiah & Mahdi

The return of the "Messiah from the Ancient Days" - The real "Messiah" is a transference and means only that he is God (Isaiah 53) and the reign of the Messiah is the reign of God over the world. God is the One and Only King of the world.

Rabbi Rashi declared that the Messiah would be God, this does not agree with the teaching of the rabbis but it does agree with the teaching of the Old Testament - the Book of the Prophet Isaiah. "The Messiah from the Ancient Days" is the presence of the very Spirit of God here on earth, so there is no doubt that it cannot be the man Jesus or any other Messiah chosen by men, nor any human "Saviour". God is the one through whom all nations will be blessed, so the True Messiah must be a transposed representation of the fact that He is God Himself as Psalm 72:12 states "May his name endure forever; may it continue as long as the sun" - this verse shows that the True Messiah is eternal, no mortal can gain immortality, so it must be a transposed

representation of God Himself, who is the True Saviour of mankind. Jews, Muslims and Christians therefore over-interpret their scriptures.
As for my faith, I myself am a believer in Bayan, and what God has shown me will surely come true.
The descent of the World from God and the longed-for immortality for mankind
"See, I will create new heavens and a new earth. The former things will not be remembered, nor will they come to mind" (Isaiah 65:17)
"he will swallow up death forever. The Sovereign will wipe away the tears from all faces; he will remove his people's disgrace from the earth. The Lord has spoken" (Isaiah 25:8)

Symbolical meaning of words - "Shabbat" , "Rosh ha Shanah" , "Yom Kippur" etc. Shabbat means "rest" during the Feast of the 19th Day

"If you celebrate the Rabbinical Shabbat, on Sunday or Friday, you show yourself to be a Jew, Christian or Muslim! We belong to the  of the whole world and we are to celebrate the Sabbath of the Lord! Our God is  "Sabbath" of rest! For understand that Sabbath only means "rest"! (Genesis 2:2), and what will you do if you do not observe certain rituals concerning you Jews, Christians and Muslims? Can God punish you for your conduct? Verily, God does not look at the rituals, but looks at the heart! "(Shabbat)

"Here is a sign between us, a sign of love and friendship - He - Yahweh is the true Sabbath , not days or festivals can replace His love"(Sermon 19)

"All these customs and habits of the people do not bring them closer to Allah, we should translate Shabbat as "rest" in Allah, the wrong understanding of Shabbat has made the Jews a burden. The need, therefore, is to worship Allah and honour Allah on every day, not just on one chosen day. Anyone who rejects the apostle of the Gentiles , rejects the guidance of Allah and worships other idols. "When you look up to heaven and see the sun and the moon and the stars - all the hosts of heaven - do not be tempted to bow down and worship what the Lord your God has assigned to all the nations under heaven" (Deuteronomy 4:19)" (On avoiding fanaticism)

Yom Kippur means "Day of Atonement" during the 19 Day Fast

"Surely the Lord desires your independence of thought, and not reliance on man for what seems right to you. There are some among the people of the Book who only pray, who read books without thinking, who do not lead a life worthy of holiness, who do not help their neighbors or the poor. Who  therefore, you fast for the Lord during the Yom Kippur, promise to spend your  , your strength and your superfluous money for the poor among you and among those who are living in your gates!Truly the Yom Kippur should be for you like the "Feast of Atonement" for Jews, and "Ash Wednesday" for Christians, on this holy day give back to God all your transgressions so that He will purify you!"(Commentary to Persian Bayan Unit 2 - Gate 4)

"They are not the worst to the truth those who mock me and think me mad. But those who do not turn back from their mad and sinful ways, nor do they accumulate good deeds, not to please people, but to accumulate good deeds to please God and serve people, are indeed lying to themselves. In our hearts, therefore, as in the hearts of the prophets of old, let every virtue be seen; hold fast, therefore, what is right and good; ask, therefore, as messengers of God, for help only from the Lord, and he will open before you the gates of heaven, protect you, and not leave you alone! "In the hearts of these names nothing but God is seen, and perhaps in the heart of every believer only a name is seen, and the heart of that believer demands through that name the help of God, while in him only God the One is seen. He is the One, and to Him belongs the creation and the order before and after. There is no god but He, the Living One, the Self-existent One"(Persian Bayan - Unit 1 - Gate 2)"(Commentary to Persian Bayan - Unit 1 - Gate 2)

"When, therefore, you fast for the Lord during the Yom Kippur, promise to spend your means, your strength and your superfluous money  the poor among you and among those who are living in your gates!" (Commentary to Persian Bayan Unit 2 - Gate 4)

"So the inhabitants of Paradise , those who fast will surely gather their treasures of heaven , they are graced with walking in crystal chambers , with floors covered with gold. But do not force children, nor the elderly, nor the sick to fast during the Yom Kippur, they have nothing in themselves to be tempted. But we weak sinners as far as we desire have "perseverance in fasting" but also fasting "does not eliminate the element of temptation which affects most people unless it is accompanied by weakness of body and disturbance of temper"(The Revival of the Religious Knowledge ,Book 12: On the Etiquette of Marriage , Al Ghazali) then our strength comes from short-term weakness. Thus fasting is ordered for our souls to ascend to the paradise of divine union with the Lord of all worlds! It was recommended in all the books of God not to fast beyond our strength, but to limit the intake of meat, alcohol and stimulants. It was commanded to eat and enjoy it after dark with one's family during fasting, fasting is interrupted by New Morning, the dawn of the New Year - Rosh ha Shana for us, a time of birth of a new life after times of repentance and oneness with God"(Commentary to Persian Bayan - Unit 2 - Gate 11 & 12)

"Do not separate yourselves from your families, do not seek refuge in prolonged fasting or asceticism, nor in mantras or exhaustion, treat yourselves with love, keeping your bodies clean, for they are the abode of the Holy Spirit" (Commentary to Persian Bayan - Unit 2 - Gate 16)

"Preach kind words, words of love and words of consolation to all the peoples of the earth; be ready, in the way of God, to direct your attention not to yourselves but to helping others, those who lack something, those who are far from holiness of life, those who turn their eyes to mundane things - direct them to God, to spiritual things, to fasting and prayer. Take refuge under the wings of the Lord, all peoples of the earth, and he will take you in and not leave you. Do not seek joy when someone else is doing badly, do not be jealous and seek revenge. On the contrary, seek love, the company of those who love love and take pride in their friendship. Do not let God

company of those who love love and take pride in their friendship. Do not let God's love seem unattainable to you, do not look at anyone with a jealous eye, rather try to live honestly and work in such a way that you will have enough for everything. Good is the advice that comes from sincerity of heart; good and right is the advice that does not condemn and does not seek the mistakes of others in order to humiliate. Angels of light do not seek enemies, they surround with tender love all God's creatures, they care about people, and they feed heavenly birds with manna of their words. They glorify God infinitely; His entrance and exit are familiar to them, and they truly take pride in His glorification. Do not be dismayed, but walk through the valley of darkness, even though you are on the edge of the precipice, the Lord will not leave you alone, He will lift you up and bring you out of every pit of anxiety, worry and sorrow. Do not mix impurity with cleanliness, rather be firm in what you do and how you serve God. Do not seek the faults of others so as to humiliate, but seek faults in one another to rebuke" (Commentary to Persian Bayan - Unit 2 - Gate 18)

"It is not permitted to fast beyond measure, to direct one's servants and fellow servants to make burnt offerings. Strangely enough, cursed be anyone who performs the ancient rituals, who dares to kill lambs and bulls for burnt offerings" (Commentary to Persian Bayan - Unit 3 - Gate 5)

"We ourselves, the children of Bayan, follow the Book of Bayan, not desiring blood sacrifices but offerings made of fasting, repentance and sincere prayers" (Sermon 3)

"Do not whisper or think among yourselves that God will reward you in heaven if you fast, make pilgrimages or celebrate feasts. Put on the beautiful garments of righteousness. Believe in the One God, and by knowing the Almighty and His grace you will do good!" (Sermon 19)

Rosh ha Shanah means "head of the year" during Naw Ruz

"New Morning, the dawn of the New Year - Rosh ha Shana for us, a time of birth of a new life after times of repentance and oneness with God. Love is more than attachment and survival for the human race" (Commentary to Persian Bayan - Unit 2 - Gate 11 & 12)

Spring is the rebirth of new life, it is a reminder of how the forces of evil poured out the flood on the earth, it is a reminder of Noah, who on this day rejoiced the whole world with the promise of life. It is "the time of birth of a new life after times of repentance and oneness with God". When the Flood came, it was a day of darkness and destruction, but also a day of the Lord's blessing. Noah and his family repented of their sins, and heavenly forgiveness, the gift of life and divine favour, dwelt in their midst. The Lord had mercy on the chosen family. He himself, God, was the only gateway to the ark of salvation, and he sent them prophet Noah to be a memorial, a festival of joy and deliverance from the shackles of darkness.

Zarathushtra and the Avesta

Zarathushtra was one of the greatest prophets of Allah, but his writings Gatha and Avesta were corrupted by scribes after his death to add worship to fire, worship to angels, to add belief in the existence of hell, and to add belief that Allah has an equal opponent. Allah crushes His enemies, He has not chosen Satan as an adversary and Satan is His servant. He is forever the victor, all the angels adore him, for he has brought hell upon the sinful on this earth. His divine fire pervades all things, he is not fire, nor hand, nor stars, he surpasses all that is corporeal, he is Spirit pervading the whole universe with his Power.

"The dualism of Christians and Muslims arose under the influence of the beliefs of Zarathushtra, whose priests were engaged in the cult of Ashera, the goddess who was the enemy of God Yahweh. By this Zarathushtra means "the seed of Asherah", it is the seed of Allat, Allah's daughter whom Allah has disinherited. We should not follow 'foreign gods' but turn in prayer and worship to Yahweh who created us. This is not to say that Zarathushtra was a false prophet, rather he himself did not fully distinguish between what is true and false, he was just a sage who recognised in Ahura Mazda - Yahweh, God the creator of all present on earth. Yahweh God is the God of reality, He gives us free will so that we can choose between good and evil, we do not need the devil or the influence of holy angels to do so. The devil is an invention of Christians and pagans. The devil is also a low nature, a symbol of sinfulness and separation from the 'light' of God" (Commentary on the Persian Bayan - Unit 3 - Gate 4)

"In the same way Christianity evolved from Hellenistic Judaism, the Gospels as we know them are totally corrupt and no divine teaching can be found in them. Far after the death of Jesus and his ascension to the third heaven, far after the death of the Apostle Paul, pagan teachings crept into the Gospels and other Christian writings - all exhibiting Zarathushtra dualism, which is alien to the earlier Tanakh prophets. Similarly, the Jews, while in Babylonian captivity, also adopted a belief in the "Promised Messiah" and were exposed to Zarathushtra's now uneducated teaching about the return of the "Saoshyant" - "Saviour-man" of Mazdaism. The prophets warn not to accept anything from the "Spirit of Persia". This does not imply at all that Zarathushtra was a false prophet, on the contrary he was a holy revelator, but any taint of paganism must be rejected from their Holy Book - the Avesta" (Supplements)

"As for worshipping angels, do not the followers of Zarathushtra in their stupidity worship the creature instead of worshipping God alone. From his guidance also comes the doctrine of eternal hell, where God torments sinners indefinitely?" (Commentary on the Persian Bayan - Unit 2 - Gate 1, Part 2)

Paul

I have not changed anything with regard to the festivals as presented in Bayan, we still celebrate the 19th Day, the 19th Day Fast and the Nav Ruz. Shabbat is a transfiguration, as is the name Yom Kippur and Rosh ha Shanah, and the Muslim festivals referring to these three holidays should be seen in the same way

Paul

 hello everyone,

Paul

19 Day Feast
8 of September – month of Asma
Nobility from Gems part 1
177 Be filled with all the wisdom from above, seek God's love, comfort one another, care for the poor and the excluded, this is my message and these are the commandments that God has told me. Lift yourselves from spiritual darkness and turn to the Light of righteousness in God, seek all nobility in every human being, but above all, be filled with gifts of love and help for your neighbors
300 There is no better piety than to adorn oneself in good deeds and to act in accordance with the will of God; to live one's life in accordance with one's own self-purity and nobility is the best, in accordance with a conscience that is not destroyed by sin is the most precious.
341 So God's true nobility consists in being merciful to one's loved ones, not abandoning one's relatives in their needs, and not in stirring up anger between spouses. It is good when families live happily ever after, when children are neither lonely nor left to themselves. It is good when ornaments of service and mutual care adorn the household; they are closer to Heaven than they would be to Heaven and its unity.
577 May all joy come to those homes where the Bayan teachings are spread, may nobility, enrichment in love and kindness be accumulated among them as glory. The invisible reflection of the behaviors that take place in the Heavens , have their place on earth , so let all love , joy and compassion flourish in families !
719 Do not allow yourselves to love what is passing and material, what is deceitful and what is carnal. Nobility is not blamelessness, honesty should not be discouraged, and wholesome selfishness should not be belittled. Let us not be holy but rather be steadfast in our righteous deeds.
Nobility from Gems part 2
835 Be ye workers of the Lord in his vineyard, to plant grapevines full of nobility. Share the wine of generosity that is squeezed out of the press of support, and do not shrink from getting your feet dirty as you press wine for the needs of the poor and needy.
Nobility from Gems part 3
997 Our Lord gave us standards and moral principles to make us happy on earth and not to make us slaves to his Will. The nobility of people is possible to develop through small steps each of us is willing to reduce the influence of instability, sinfulness and unconsciousness in our lives. Then we will create a healthier environment, a place where the angels of God ascend to earth to make the earth a paradise, more holy than the heavens.
998 True piety consists in demonstrating nobility in life, in the daily struggle with sinful nature, and in not overburdening oneself with worries about the future. Everything is in God's hands, so that we stop worrying too much, but it is also necessary for us to fulfill all the duties of life, and all possible good deeds must be done to turn this earth into a paradise
1005 Seducing oneself by a man or woman is not praiseworthy, seeking fleeting affection and passion always ends in temporary pleasure and emptiness, and desire is transient. The beauty of women or men passes away and the purity of the mind, words and deeds is eternal and is written in the books of God. It is better for us that God does not lead us to the beauty of women or men, we are to show nobility of our deeds, purity of thought and words, so as to please God and society.
1028 Let us respect ourselves and our good name and let us consider it in our minds to submit to his will and live a life of nobility.
1097 Far from nobility and joy of life, they reach for greed as a remedy for their

selfishness. "Greed is slavery" (Sayings of Ali) , the boundaries of their reasoning are broken like a city without walls they are fragile , destroying the ornamental walls with their pride.

Light to Nations
Part 2

Commentary to Persian Bayan – Unit 3 – Gate 16

O People of Bayan

God is One Indivisible,

Behold, Allah summons all of God's children to observe these counsels,

He is the Supreme Lawgiver, and He sends down from on high the best solutions,

He is the One incomprehensible in His essence, and He solves the riddles of mankind,

The best thing is equality and cooperation, not the domination of women over men or men over women - it strips away the respect for each other, it creates prejudices against both sexes and destroys society.

It is necessary to call it by its name: all violence in the family and in society is to be removed, so that no damned trace of unrighteous acts remains.

It is the commandment of Allah to bear one another's burdens - let the husband bear the burdens of the wife as well as the wife of the husband, and let the wife respect the husband as well as the husband of the wife, and let them treat one another with love, and then surely the angels of heaven will dwell among them.

Let all differences be absent from your midst, wipe off the dust of fault-finding from one to another, and the Lord will surely dwell among those who wish peace and unity to their families.

When thou standest in prayer, whether thou turnest thy face to the right or to the left, wherever thy hands and thy feet carry thee, excel in truthfulness and honesty, for the love of God and of men.

Like the angels of God, stand at God's door to humbly serve and learn" (Yunus Emre) from your Allah.

All the hosts of the heavens serve the Lord selflessly, how should we ourselves serve our loved ones, our parents, our children and all those whom we have loved with an unearthly love.

Look with divine eyes upon the poor and the thirsty longing for a loaf of bread? Feed the hungry and leave no one truly hungry in need.

Learn from one another love, care and concern for others. As for money, manage it so that you have enough to live on, and especially do not neglect the children in your care.

It is the requirement of the Lord not to spend money on unnecessary valuables; it is necessary to count all money efficiently and to distribute it according to the needs, from the most important to the least important, i.e. from the necessary to the most desirable. With regard to children, we should talk wholeheartedly with our children about all the adversities and not leave them to their own devices - street education.

The requirement of parents is that children respect them and the requirement of children is that parents do not harm them. You should teach your children to spend their money wisely, so that in the future they learn that it is not worth getting into debt and that it is more sensible to save moderately than not to put any money aside at all.

The family should be covered with a tent of safety, peace and joy, and the instability of money causes them storms, unrest and quarrels. Look at it from this point of view - get together as husband and wife, work on yourselves, your characters, and how you spend your money, do it wisely and let not a penny escape into unnecessary debts.

Repudiating the debts you are covered with safety, you are far from quarrels and anxieties. Do not mix saving with cheapness, and allow your children to indulge their desires. Do not lower your value, and let yourselves become rich, which is no sin, but dear to the Lord. It is the Lord's desire that every one should get rich, but honestly.

The raising of standards of living and the raising of conditions of life are at the foot of the Lord's purpose; we are to bring Paradise to this fallen world, not to expect Paradise in the Hereafter.

So be far from selfishness, selfishness and skimpiness, whether at work, at home or in everyday life, be generous, be happy to share what you have - but reasonably and in moderation.

"We all care about something" (Yunus Emre), let us first of all care about successful marriages, about raising children in love, about bringing love and nobility into our chambers. To a large extent it is up to us and our behaviour to ensure the well-being of our family and the relationships we maintain. Faith has no concern for the affairs of the family, nor for the affairs of society, nor for the affairs of the poor and the sorrowful, such a faith is superfluous, and the resources devoted to such a faith are vain, its deeds are worthless.

Parents, especially Christian parents, should not believe in the fairy tale that there is "original sin" and should not think that children inherit any impure behaviour, children are born innocent, but living in this world, they acquire bad as well as good qualities - through deviated or right upbringing. Much is demanded of parents, and should be demanded if they want to raise children who are not a threat to the social order - who do not steal, lie or destroy the conditions in which they live. The street cannot raise children, we must take care of children and prevent any influences that may arise among them. Education of children at all ages is the solution to prevent children from being brought up by the street.

Children are also a good example for parents. How many parents underestimate their children - how innocent, not guilt-seeking, not jealous, kind and cheerful they are.

How many parents lack these qualities so that they themselves can be happy?

Children are born innocent, they grow up depending on favourable or unfavourable conditions. However, let us make sure that all the needs of children are provided for, especially the need for love, care and the maintenance of relationships is the most important one.

Learn from children to do good; they were born good but knowing the sins of the

world. How can we, too, reject the dust and bondage that the sometimes unfriendly world makes us feel far from God? We can draw closer to God by becoming as children, children feeding on the heavenly bread of God's Words.

"This is the love of compassion" (Yunus Emre) , maintain ties with your children and let no one separate you from them , neither difference of opinion , nor variation of faith , nor any momentary variation , nor human influences. The love you have for your children cannot be torn apart by any external influences.

A child should not be left without care, whether spiritual or mundane. The love of parents must be expressed in deeds and not words, then the love will grow and the relationship will be unlimited. Parents should meet and agree how much to spend on the child. A child is not an expense, on the contrary, it brings joy and is a support for old age. Each parent has to think about how much to put aside and how much to spend on necessities. I advise that the earnings should be spent on such activities, in such good hands, trusted persons, that the education of children may be successful and may result in the nobility and beauty of their acquired abilities.

"Let us go together, let us be friends" (Yunus Emre) , if father or mother - you are not a friend to your child, how is it that they do not respect you? If you show them tenderness and forgiveness in the moments of rebuke, then surely the children will repay you, respect for respect will repay you. However, children should not exaggerate the boundary towards their parents, they are to show dignity to their parents as described in the Bible and Quran - it is to "honour thy father and thy mother" (Exodus 20:12) , "be kind to your parents" (Quran 4:36).

Let us now consider what is the Wine of Joy , the Wine of Jesus' passion and the Bread of his divine teachings.

Drink the divine counsels from the cup given by the angels of light. Drink of the wine of elective counsels given by the Holy Spirit. This is the message of Jesus in John 6:54 "whoever eats My flesh and drinks My blood". It means so much to drink the wine, the immaculate drink sent down from the gifts of the Holy Spirit, and to eat the heavenly bread, the heavenly "flesh" of the - of the Word of God. Catholic Christians take these words literally - thinking that Jesus' sacrifice was shed for their salvation - but this contradicts the prophets of the Old Testament, where it is said - that all human sacrifices are an abomination. Look at the sacrifice of Isaac , God did not allow Isaac to be sacrificed and released him from Abraham's hand. "11 But then the angel of the Lord called out to him from heaven and said: "Abraham, Abraham!" And he said: "Here I am." 12 [The angel] said to him: "Do not lift up your hand against the boy, and do him no harm!" (Genesis 22:11-12). How could God similarly not desire that the sacrifice of Jesus could take place and his "sacrifice" is only a match. This story shows that God abhors human sacrifices, and the sacrifice of Jesus, which Christians worship, is also one of them. The story of Abraham and Isaac does not refer to substitutionary sacrifices in the form of Jesus. Since, according to the prophet Moses and Jeremiah, only the "thanksgiving burnt offerings" performed by the Jews are to continue after the appearance of their Messiah, for a short period of time, the rest of the burnt offerings - the "Korban" - will be cancelled -

"11 Now this is the law of the peace offering that one may present to the LORD: 12 If he offers it in thanksgiving, then along with the sacrifice of thanksgiving he shall offer unleavened cakes mixed with olive oil, unleavened wafers coated with oil, and well-kneaded cakes of fine flour mixed with oil" (Leviticus 7:11-12),

"11 the sounds of joy and gladness, the voices of bride and bridegroom, and the voices of those who bring thanksgiving offerings to the house of the Lord, saying, "Give thanks to the Lord Almighty, for the Lord is good; his love endures forever." For I will restore the fortunes of the land as they were before,' says the Lord" (Jeremiah 33:11).

If we are driven by our emotions as Christians rather than following God , then surely God will separate us from His blessings. The sacrifice of Jesus as portrayed in the New Testament is only the martyrdom of a prophet, and to present the matter otherwise is the idolatry of Mithraism which is widely evident in the teachings of Catholic Christians. Catholics in their blindness worship Jesus-Tammuz, Jesus who became God incarnate, for the supposed "salvation of men" - these are pagan teachings and destroy the image of God as the only Saviour of mankind. Jesus never mentioned in the Gospels that he was God, the scriptwriters rewrote the Gospels by adding various fables - believe it or not, God will surely show you the same. The real Jesus never rose from the dead, nor did he ever appear to people as a "Saviour" in a human body, nor did he ever call himself a mediator. The real Jesus said "Do ye the Father, and exalt Him only" . He was only a prophet sent as the Primal Word - "Primal Point", which was inspired by the Holy Spirit to illuminate the modern world with its radiance - "In the beginning was the Word, and the Word was with God, and the Word was God" (John 1:1) and in "God gives you the good news of John, as a confirmer of a Word from God, eminent and chaste, a prophet, among the righteous" (Quran 3:39).

This verse describes clearly that "the Word was with God" therefore Jesus could not be God, and yet "the Word" - Holy Spirit who enlightened him is God and Jesus became "the Manifestation of God" - A prophet manifesting divine attributes. Let us continue to follow God and the One Saviour.

Let us reflect for a moment - Our Lord is the Only Saviour, no prophet can replace His Holy Name or boast the title "Saviour". The Prophet Isaiah declared "I am the LORD, and there is no Savior but Me" (Isaiah 43:11). So let us worship only God - without mediators, without the intercession of the dead, without the intercession of Mary and the saints. Our Lord and Father is sufficient for us for our eternal happiness.

O God, purify the minds of mankind, cause them to praise Thee with one mind. With one voice of love - Father our only Saviour (Zephaniah 3:9)

"Come and help one another" (Yunus Emre) , be neighbours one to another "shoulder to shoulder" (Zephaniah 3:9) work for the welfare of your families, your communities and the whole world.

Remember - show love to each other, acceptance is better than rejection of the sinner, praising one right virtue is better than looking for faults in your neighbour. Gather ye together, O people of God, to worship your Only Saviour and Loving Father; he hath commanded you to help orphans, to protect the weary, the afflicted, and to support the poor. He has commanded us to spread education among the children so that they may grow up in the fragrance of joy, happiness and prosperity. He hath commanded you to be companions to one another; He hath commanded you to assemble in congregations that will break the mundane and worldly things. May the Glory of the Lord, His Love and devotion to human affairs never fade away. May the Memory of the Lord and Father of our souls never be erased from our minds. May His precious counsels never be diminished and may His love endure forever.

Amen.

Hello friends, Light to nations

Commentary to Persian Bayan - Unit 3 - Gate 18

He, God, is One Indivisible,
O for the Sweet fragrance of the Words of God, let you not search in vain, nor in the dark for glad tidings from your Lord,
Come, draw a pitcher full of love, friendship and draw from the well of the Holy Spirit, lest ye thirst for the Water of the knowledge of the Lord for ever.
In the caves hide unclean spirits like seraphs, they blaspheme God day and night, but the angels of the Lord seek the worship of God alone. Let us be tempted to seek the face of God, to seek His forgiveness only in Him. Let us be sincere before God and desire only His exaltation.
These words were written not to judge people or make them dependent on God. They are an ointment for the afflictions of mankind, an answer to the sufferings of the world, a cure for certain health. So reach for the jug of love and share it with your neighbor, he is thirsty for the water of the Holy Spirit and its refreshing power.
"Pour the ocean into the jug" (Masnavi, prologue), pour in the living water of the Holy Spirit, let the ocean of divine Words fill your soul.
"The jug of lustful desires never fills" (Masnavi, prologue). The covetous do not easily draw the water of life, they go to the well of life, in it they do not find any drop of water. They are impatient, they follow the desire of their heart, and thus they thirst endlessly for either the love that comes from desire, or for companionship, or for

temptation.

Is not soot , filth and rust all mundane pleasure and debauchery?

"If we purified from all rust and defilement" (Masnavi, prologue) the Lord will surely dwell among us and not forsake us in times of trial. These Words , these divine counsels are a cure for the wounds of mankind .  are a strengthening for the distractions and sorrow that cling to the hearts  n. Meditate on these Words , reflect on the value of these Words , their grace and the joy of sharing them in friendship.

The holy and righteous "is completely pure from covetousness and sin"(Masnavi, prologue)

The Lord grants us all joy, happiness and brings us heaven on earth, if we listen to His Words of Madness, on the contrary, if we do not listen to His advice, surely guided by covetousness, we will direct our bodies to the scourge of suffering, anguish and separation from God.

May God be a witness to me , he has beaten me with all his might , so that in my suffering I have dismissed his love . May the Lord wish everyone the best, may man rejoice in the fruit of his hands and the fruit of his love for his neighbor.

The New Day is coming, the New Era is coming, for the "resurrection" of Quran and the Gospel has been proclaimed, the grass of Israfil has trumpeted with a loud voice. Set aside your beakers at the well of holiness and fill them with the Water of Life , the heavenly remembrance of the Lord and the knowledge of His Name. Walk thirsty, saturate yourselves with the water that gives refreshment. Walk, saturate yourselves with bread that brings satiation of the spirit to the hungry.

O sing joyfully to all the earth, O sing to the heavens the glad tidings of peace.

Some of the sons of men's souls have become drunken, so that instead of Allah they worship man and the angels, and make men as  to Allah as mediators for their own destruction and misfortune. Do not ever wor anyone but God Himself. They will say - surely you blaspheme, it is not known to you to take the Trinity for holiness. O look, Christians - didn't the prophets of old time worship God in one breath, is God Himself on all the earth to be worshipped, and His "name is to be One" (Zechariah 14:9)? So you Christians worship man, in vain do you do it, the Prophet Jesus Himself declared "in vain do they worship Me by teaching the doctrines of men" (Matthew 5:19). Did not He Himself the Holy Jesus do the Father? After all, He and all the prophets with one breath mentioned God and His Oneness, His indivisibility , He mentioned God as Spirit and not flesh? Why then do you commit falsification of your writings and twist the Words of the Gospel, making God humiliated? If you had reached the depth of understanding of divine revelation you would have found that Yahweh, Allah, Brahma is one and the same God worshipped under different names, worshipped according to the revelation given to the prophets.

Those whose parents are not accustomed to taking care of their children, and have neglected to provide for all the comforts and needs of their children, these indeed are cursed. But the children who have no fathers and mothers who loved them, who did not desire to form a relationship with them, let them seek the love of "the Father who is in Heaven" (Luke 11:2), let them like the prophet Jesus remember His holy Name. Invite into your heart not Jesus , nor Marie , for therefore they are flesh and not Spirit, invite into your heart the Father who is  rit, may He strengthen and comfort you in times of sorrow . Why should you  rn, He the Lord is the Physician for all distress, He comes to those who call upon Him for help and comfort in a fall.

Seek the Love of the Father, and He will surely not reject you. The poet Rumi expresses the Father's Love remarkably beautifully, "Love exalts our earthly bodies to heaven. And makes the very hills dance with joy" (Masnavi, prologue). Our God is One, He has been the Savior of mankind since the dawn of time, He does not choose intermediaries for Himself, but sinful people have chosen His companions. May His Love and Fatherly protection stay with us forever, may the trees and hills joyfully sing songs of praise to His Holy Name. Under the tent of the Father hide yourself, He will not forsake you in times of sorrow, in times of depression and in times of anxiety.

May the fire of the Holy Spirit, the divine Shekinah return from the heavens to earth, may the heavenly voice of God's messengers resound like the most wonderful flute in all corners of the earth. It has been said "The fire of love that inspires the flute" (Masnavi, prologue) will surely gain , strengthen and uplift the spirits of the depressed and bring them heavenly joy. May God conquer the hearts of mankind through the messengers of joy . May His Love , His reconciliation and His friendship towards every being on earth last forever .

Man is but "a drop in which is the unfathomable ocean" (Yunus Emre), so how can you compare yourself to God like the size of the ocean? Righteousness and virtuousness also means maintaining that the Lord is One Indivisible.

Virtue, living a life full of peace, from the removal of  selfishness and the humiliation of pride always brings peace of mind. Happiness,  and a smile on the face are always expressed on the faces of those who pride themselves on virtue and holiness of character. The memory of the saints during their lifetime will never fade nor will their souls be extinguished in the worlds, the Lord will be among them. Jesus, Mary, all the angels, all the prophets - Moses and Noah, Muhammad and the Bab , all together worship the Name of the Lord without end , They inhabit the mansion of the Lord and praise Him day and night before His Holy Throne.

Here on this earth, we are preparing to live under the tent of the "new heaven and new earth." Every saint can become during life, whether man or woman, all of them guided by the Comforter and the Holy Spirit in the righteousness of their deeds. Let the news of virtue spread in our homes, let us receive all virtue for righteousness into our minds, let them dwell among us and let us make covenants of friendship with them.

"He who claims to be a lover will never be greedy or lustful" (Yunus Emre). Let us be a lover to Allah, let us be His saints, seeking neither greed nor generosity, let us not seek after alienation, and let us be far from lewdness. Let us distinguish ourselves by cordiality to our neighbors, sobriety and moderation in everything.

Trumpet of Israfil has blew, and they do not look around and seek the Revelator or revelation of the Lord, they will look upon him as a fool and a blasphemer. The poet said "The Trumpet of Israf'il will blow, on the Last Day"(Yunus Emre) , behold, it has happened and people still teach bashfulness, th seek excitement in the worldliness of their bodies, they still do not seek  worship of the Lord but desire the worship of man.

Let us as Bayan people be gifted to do all righteousness and beware of the bondage of lust, lack of sobriety and seeking violence. Let us raise the banners of peace, let us raise the banners of reconciliation with our neighbor, let us raise the banners of gathering among our neighbors in the spirit of devotion, service and love. We are to be pure , purified so that when the Lord appears on earth, He Himself will satisfy with His heaven and His presence.

"When all rise from the grave" (Yunus Emre) of their illusions, only the voice of God will be heard in these Scriptures. Do not tar these counsels and call them useless, on the contrary, the Lord has called us to feed on his counsels , his rules and his regulations arising from love.

In this wicked world it is difficult to humiliate selfishness, greed and mundane deeds.

We, however, have no intention of separating ourselves from the world. We have to work together for the good of society, for the good of our families, for the good of ourselves. We do not intend to degrade ourselves in asceticism and celibacy; on the contrary, let us do everything for the improvement of our well-being, inner satisfaction and the attraction of wealth. Accumulation of wealth is not a sin if it is done in moderation, while not harming others.

Let your well-being, joy and sense of happiness be satisfied, do not strip yourself of the wonder of earthly life. The Lord has commanded us to live in death, to live without being biased, to live out of friendship with our neighbors, to live not by his precepts and to live by faith in virtue - resulting from love for God.

If God is purity why should the faithful wash their hands and feet? They do not make themselves pure if they pray with preceded ablution, not a prayer offered to a loving Father but a mere ritual. "Say: Verily, God is purer than all purity, no one has the power to want to depart from the empire of His purity, neither in the heavens, nor on earth, nor in what is between. Verily God is pure, the purest!" (Persian Bayan - Unit 3 - Gate 18).

Nothing on earth or in heaven, is more precious and pure than God Himself, turn your face towards the Savior of all mankind. Turn your face toward God and your Creator in sincere prayer.

Amen.

Light to nations
Commentary to Persian Bayan - Unit 3 - Gate 19

He, God, is the One Loving,
He endowed mankind with a pair of men and women to be equal,
Men have made women weaker and subservient, they desire power and take advantage of their subservience.
They are unintelligent and underestimate the burdens a woman's faces,
How much love and empathy is spread through a woman's charms?
Weaknesses and her desires are not insatiable like men's?
Such behavior can not be present among us - for a man to fight women, for one to rule over the other. Fairness, love, empathy and consent is the answer to forcing obedience, mistreating and undervaluing women.
Women as well as men must be treated equally and valued equally for their contribution to raising children or for the achievements they have made. Then the world will surely flourish, and the pace of equality will bear the noble fruits of its efforts.

Under the frame of cooperation and forgiveness, you will guide your wife and your wife will reciprocate the same. Let violence never take place between you, evil should be removed from the very beginning so that it does not spread. "Cut the root" in transfer means so much that the disease, the infected "root" needs to be uprooted from the attitudes. Here the germ in the marriage are misunderstandings, quarrels and looking for fault in the spouse, neither of them should look for fault in others and first in themselves. Violence is not a solution, and anger is not a cure for pain and suffering. You can not hide violence, anger and difficulties, and you need to call them by name, to uproot evil.

It is forbidden for a merciful believer in Allah to use any kind of threats either against his wife or his dependents, including forbidden to intimidate those who have been dismissed because of divorce. Even if it seems to you that the victim can bring disgrace to the family, the victim of domestic violence suffers, is stripped of his dignity, the darkness and oppression of his spouse can lead to mood swings, to leaving the ranks of work or activities that have been done so far. Do not have an eye full of indifference, take pity on the person suffering all pain, all violence and all oppression.

The victim himself feels like a lark in a cage, he does not have enough air of love or water of peace to get out of the cage of unbridled anger. The lark needs the help of a human being to be able to free itself from the confines of the cage, a cage that does not feed, water or nurture it. This hand can be us, to "cut the root" of violence against women, against wives but also against girls who have been subjected to rape or assault. We cannot be indifferent to such treatment. God will surely reward those who bring a helping hand and support.

Accusations against such men and women must be abandoned, and the infliction of capital punishment should have no place among us. Teach people to love one another without harming anyone. Teach your Muslim brothers so that they can cancel the burden of Shariah, and the lies imposed on people by this cruel law.

Feelings of anger, resentment and blame must not set in between husband and wife, rather let kind words, forgiveness and fault-finding be present among you. If you examine your heart - looking for fault in yourself and not in your neighbors, you will surely restore harmony between you and your wife.

Women living in any country should know their rights and be able to know that the violation of their rights and the prohibition of harming them should apply above the fanatical laws of Muslims, Jews or Christians or any religion. Every woman and every man has the right to live in peace, not allowed in the name of Allah to violate their rights to dignity, not allowed to diminish their protection and free will before a fanciful law.

Women who are faithful to Allah should gather in groups to rally against all violence and violations of their rights. This is to focus in groups on the awareness of the existence of the problem of violence against women, the difficulty will always be there if men do not change their attitude towards women. Men must desire to respect women again, by doing so they will respect themselves and the righteousness of their deeds will be recorded in the Heavenly Books. Otherwise the law of punishment has been prescribed, their names will be removed from the Heavenly Books, and they will fall into darkness and destruction after the death of the body.

Also, do not take money from the poor and do not chase after money so as to trample the innocent along the way. We were destined to live honestly from the work of our hands, and thus Heaven commanded that the duty of the priesthood be abolished. For God every believer is a "priest". He has the right to decide for himself, he has the right to decide for his conscience what he wants, and the most important thing is that he chooses kindness - not to harm others.

Every human community, including every believer in Bayan, is obliged to realize that the community is like one living organism, and the different members determine the internal stability and order. Because of this, every Bayan believer should be faithful to the secular state in which he resides, but should not be subject to a religious authority that gorges or shows its tentacles of power intertwined with secular authority to the whole world.

Every true believer in Bayan, as a believer, should not mix religion with either secular or religious authorities, for this path leads only to chaos and disorder.

We, however, as one organism, together with each community, are one body, as each part of the body, in order to function properly, needs the help of organs like internal instruments. To cope with domestic violence it is necessary to put a lot of love into society, it is necessary to teach young brides and grooms how they should love and respect each other - this is the main solution to violence against women.

There are still laws in the world of Islam and Hinduism where the rights of women are restricted, thus violating the laws and regulations of Muhammad sent down in the Quran or the laws of Krishna from the Bhavagita. Prophet Muhammad forbade the killing of girls while they were still alive, forbade beating women but allowed shouting at them when they are talkative. Arabs and other nations who have twisted the words of Muhammad from the Quran are seeing the results of their deviation from the right path, instead of equality there is inequality, instead of harmony and cooperation, there is confusion and disorder. Yes in families and communities the father commits the sin of beating his daughters and wives because of his misinterpretation of the words of Quran. Because of the stupidity and thoughtlessness of the imams, women have to suffer, they also despise the image of Muhammad as a cruel man. May I hold most dear the name of the Most Holy Bab, that he gave his soul, for such a beautiful purpose to give women the gift of equality, not a drop of his martyr's blood was in vain. We today, thanks to his righteousness, can rejoice and share his principles with the faithful Bayan and with the whole world.

Oppression against women has there when societies border on collapse. Women give birth to children, so they create a new life, and everyone knowing this should treat them equally, because of even the creative power bestowed upon them by the Most High. Surely these communities will fall when the scales of hatred against women are very severe, and passionately fight against all freedom of women - a sign that the Spirit of God has no place among them. The Spirit of God has not entered the hearts of imams or Hindu priests, or rabbis, or Christian priests if they teach to oppress women and to make men subservient over them, while they should teach the principles of equality and cooperation between the two sexes.

We need to raise the banners of equality, so that they remove all signs of inequality towards women and men. We need to adorn ourselves with a heavy shield against attempts to introduce inequality, and we should draw the swords of righteousness so that brave women can be strengthened by them. Let women, therefore, wield the swords of equality, let them gather for the cause of the Lord to teach and spread the news of gender equality.

And let the employer, if he is a man, not abuse his power, and let him not burden women so that they are paid less. It is not Allah's will that women should overpower men and men overpower women through their strength. The message of the Lord is to bring equality and harmony - in the family, in the congregation of prayer and in society. Our Lord is the God of equality, order and harmony.

If men and women are not treated equally and on an equal footing, then surely unemployment, poverty and great suffering will afflict one or the other. Women and men must be treated equally, they must be valued at home and outside the home area, then we will surely gain paradise on earth instead of chaos.

Do not put off freeing yourselves from inequality until later, if a man oppresses women he oppresses himself, "that which reapeth shall be" (Hosea 10:12). So gather into your baskets the virtues that promote equality, so that your dignity may grow, your understanding may increase and your love may develop.

Far before Bab, in the thick of the darkness of ancient times, the prophet Jesus illuminated the minds of his contemporaries with the great light of equality between man and woman, Jew and Gentile. The Prophet Jesus was a great initiator of the struggle for equality of women, he was passionate about the Spirit of God - the divine Shekinah - dwelling among people, and equality and righteousness reached not only Jews but also Gentiles.

Talking about domestic abuse is not enough, and it is necessary to act by preventing such problems in the future. Society is as one organism, this principle we need to instill in young people and adults alike in order to properly recognize the signs of domestic violence or any violence and hatred. It is possible to properly combat any signs of abuse including domestic violence, role models such as the Bab or the Prophet Jesus himself are helpful. The specific teachings of the Prophet Jesus is to care for and not blame women, women were of great value to Jesus as they were to his Holiness the Bab.

We know that our society is like a body, made of different elements, in order for it to work together it is necessary to educate individual members of society to prevent any abuse. Our Lord certainly checks our hearts individually and knows who is of pure conscience, his angels look with compassion over the victims of all violence and

hatred. The bride should check her fiancé to see if he is fit to marry, his behavior may betray traits of selfishness, and selfishness in the future breeds violence, anger and lack of self-control.

The ruin of the marriage is due to lack of sobriety of mind, lack of self-control, anger, violence and other vices, all of which have to do with the selfishness that has become so entrenched in the wife or spouse. In order to reunite a mismatched marriage once needs love, especially the selfish husband or wife must reject the poison of selfishness that fills their mundane egos.

To truly love a wife or husband - do not blame your spouse for his or her faults. You must stifle the venom of anger, anger and selfishness in yourselves then the spark of love will complete the marriage, and the quarrel will be turned into a blog of peace.

It has been revealed by the word of the Most High, that the Word - Jesus was the messenger of the Lord, a prophet of God. So it was in the beginning that Moses, tried to make the Angel of the Lord a priest for the people of Israel, but Moses, unable to convince them of Him, ordered that the priesthood be memorialized in Him. Until now the Jews, insisting that Jesus is not the Angel of the Lord, believe to their own destruction that they need a priesthood and sacrifices without end in His holy place. Jesus' sacrifice was a martyrdom sacrifice and not a mystery sacrifice, God cursed the rabbis for their unbelief, because they believe a lie and not God.

"In their affliction he too was afflicted, and the angel of his presence delivered them. In his love and mercy he redeemed them; he lifted them up and carried them all the days of old" (Isaiah 63:9).

The Son of God appears under different names is the angel Gabriel, Michael and Raphael in unity, who is the Angel of the Lord - the Word of God.

He appeared to Moses as Michael, appeared to Mary and dwelt in her womb as Gabriel, and in the future will appear as Raphael - the Healer.

He healed the hearts of those who approached His law of love, He is the "Good Thought" (Vohu Man) of the Creator.

Look also at Bayan how much precious counsel it contains, how much wisdom has the Lord in His mercy imparted to us?

This verse means as much as loving the One Before. Bayan is dear to God. Spending money to translate this book is essential for the revelation of the Lord's presence on earth. His Holiness the Bab declared "The more he increases his spending, the more God loves him" (Persian Bayan - Unit 3 - Gate 19). Amen.

About reconciliation of Jews and Arabs
Gem
152 The temple and its rebuilding , is the rebuilding of ties between Jews and Arabs who have been at odds for many generations. The temple is ourselves and we should take care of our spiritual temple by making peace among people and supporting each other, trusting in the One God that he will change hardened hearts into hearts full of flesh and purity
229 I have already confirmed that it is my soul's desire to reconcile Jews and Arabs, children and fathers, so why do you not reconcile and shed your blood for each other? But indeed the Jews still have the Arabs as their enemy, and the Arabs have the Jews as their enemy, and thus they make the Hill of the Lord a curse.

"And he will turn the hearts of the fathers to their children, and the hearts of the children to their fathers. Otherwise, I will come and strike the land with a curse" (Malachi 6:4)

Hello friends,

Paul

Light to nations - Unit 4 - Gate 2
Part 1

O turn your faces to love,
Behold the path of mercy, whoever follows it grasps friendship, caring for those in need,
Here is the path that leads to perfection, full of gratitude and showing kindness to one another,
Even those who do not believe in the Name of the Most High, in them is hidden love and its bestowal,
Those who walk in the paths of righteousness are singled out by their righteous deeds, not necessarily believing in the existence of the Most High, they testify of Him without even mentioning His Name.
Be lovers of God, bestowing kindness, courtesy and mercy on all human beings. The essence of faith is "loving your neighbor as yourself," so don't draw a veil over non-believers - they also suffer and love, feel and rejoice, through this we show them true love and abide in the bestowal of mercy on all children,
True faith is that which is expressed in deeds of kindness, and those who walk in the light of God do not harm the innocent. Cost the fruits of your hard work of endowing this earthly life with all the precious stones of compassion, care and selflessness.
Let people draw from the treasury of God's knowledge of these divine counsels for the power of nourishment - to feed their children spiritually. To clothe the poor in love-kindness and give hope of peace to those whose families are full of strife and anxiety. In this way children will show respect if they themselves are respected, they will reciprocate love for love, let their parents love them.
Remember - the way of God , is the way of not hurting but giving mutual help even to the enemies of faith. Let us awaken in ourselves the longing to seek righteousness, and to live under a roof of righteousness, let us not just say words of love, but live in love and act in the language of love and compassion. Nor deny those who are far from reciprocating love for love, they are like the "blind, mute and deaf" who do not feel , but boast of the wealth of their violence, hypocrisy and destruction.
"Anyone who knows your love must be the purest that can be seen"(Yunus Emre) in the mirror , may the Majesty of God be reflected in the mirrors that we hold as gifts from the Holy Spirit , and may in his holy attributes , we ourselves look for any wonderful virtues to imitate. It is also better for a person to write down one verse full of love rather than pouring out a torrent of rivers of hatred, violence and unrest against neighbors and disbelievers. G-d is Love .He bestows, as Heavenly Father, His mercy on all who thirst and languish.

Let us walk in the ways of friendship and showing compassion to all that breathes, raise your banners of peace, concord and reconciliation above wars, discord and strife. Do not imbibe with the company of those who eventuate to the bottom of destruction and boast of their violence, worship hatred thereby, are cruel at heart - command them to subdue their "stony hearts" to become "fleshy" hearts, full of life, holiness and avoidance of harm!

Also, do not rejoice in your neighbor's harm, for you too can fall worse into the pit, so do not wish on your neighbor what you would not wish on yourself.

"One must abandon the world in order to unite with the Beloved"(Yunus Emre), abandon the world? How could it be? "Abandon the world" means as much as to abandon materialism and get rid of excess money, how many children and the poor in the world who need your help? How much suffering is caused by unrighteous actions and exploitation, G-d is all-powerful in action and He commands a reasonable allocation for widows, the poor, orphans, believers and unbelievers alike, for all suffer equally, all people therefore are your neighbor! If you had so given up everything for Allah, and had been kidnapped for the sake of the society in which you live, surely paradise would have arisen from the earth long ago. A paradise without wars, poverty and suffering.

May the earth, which is teeming with all life, be for you an example of God's goodness and a sign of his love. May parents as well as children, in order to rise from the mundane, turn away from all fallen thoughts. Inequalities, may they turn their faces to noble thoughts, may they bind themselves with the girdles of all virtue and the display of all compassion. Therefore, desire with all your heart and soul that harmony, love and compassion prevail among earthly families. Let this love not be mundane and only distinguished by affectionate words, let love be distinguished by acts of kindness among family members. Let the parents as well as the children not drift in a sea of resentment, hatred, harshness and mutual hostility, let them nobly enrich each other in the desire to reconcile, let the harshness between each other - husband to wife and parents to children, but also children, be distinguished by respect, tact and the utterance of affectionate words. Let hatred be destroyed by serving one another, let hostility be replaced by equality and sharing of equal work in the home. G-d is exalted above all the world, He brought down the Torah, the Quran and the Gospels, He gave us the Holy Bayan, for the distinction of truth from falsehood, so let us walk and take pride in its Treasures.

Overlay the minds of those who yearn for encouragement, long for liberation from a cruel husband, and desire equality in marriage. These are divine counsels, feed on the "bread of salvation" and drink from the spring the miraculous "water of life."

dear friends, Would you like to establish some kind of house of prayer so that the Bayani faith can grow and not fade away? Please give me any suggestions, I also ask to meet video through zoom, let's start talking through zoom or through video on facebook. God is beyond religion and he embraces all people.

At first Christians or Muslims will treat us as a sect, there is no need to worry about what others will say about us. But we will certainly not be nicely received.

Listen my friend, these writing are complete nonsense, how can this be an improvement on previous scriptures when it lacks even a tenth of their eloquence.

This is truly written by a man and has no Divine in its making.

The banyan is more akin to the works of musailama the liar.

I don't understand how this inferior rambling is in anyway a replacement to Islam, genuinely this is not just me saying Islam is better just because I associate with it.

I have lived in the west and traveled much and personally take an interest in ideologies both their the written and their overall presence.

This in comparison even to none Islamic belief system is coming across as very shallow almost like Scientology.

Sure it has followers, and it makes arguments, but without a doubt it is the work of man not the maker.

Genuinely with respect this lacks a grace, and has the feel of the villager addressing the inexperienced dim witted villagers.

05/11/2022, 20:18

Shaykh

Abdulwahab al Islam is being criticised by noble poets of Arabs. They call it utter nonsense. Al muqaffa , an Arabian poet wrote a book against quran and called it eloquence as a joke, derived from pre islamic Arabian poets

القرآن ليس إلا أساطير

Muhammad revealed 6000 verses in 23 years, but Hazrat Bab revealed 300000 verses in just 6 years

Shaykh

Muslims are joke. They can't argue properly

Paul

Quran was from God but should be interpreted symbolically according to Bayan ,abdulwahab al ,it's your choice what you belief

Shaykh

Latter revelation is always superior than previous one

Paul

Bayani Faith is faith and believe in God is core of it , is a lot of arguments against exist of God as well. In the world exist many unexplain events ,so God is in controll of it and he exist ,he look after humankind

Paul

People in Bayani Faith has right to disbelief in God ,it's seeking of him and his greatness

Paul

Roots of Bayani Faith are islamic ,but it's not Islam, we follow teachings of Bab our great teacher

05/11/2022, 21:05

Shaykh

I have one confusion that Bab have written a letter coming manifestation which follows as....
Letter from God to God....

06/11/2022, 08:17

Paul

Manifestation of God is only manifestation of attribution of God , it is not divine or incarnation of God in flesh

06/11/2022, 09:57

Abdulwahab

I genuinely mean it with respect, and this is not a dig at you but an honest exchange that hopefully can yield an open exchange.

Ravan has no authority. as you said Ouran is from The all maker. and has posed the

challenge of producing a single verse or a chapter like it.

Abdulwahab

And a million verses can be produced in a single that does not mean anything or add substance to any worthwhile argument.

Abdulwahab

The truth is the bayan can not originate from the same heavenly source as the Quran or else it would show some form of equal quality outside of borrowed verses.

Abdulwahab

As far as arab poets saying the Quran please produce those poems and let us assess them, by the grace of Allah I can speak Arabic and further more I have memorised many Classical Arabic and contemporary poems.

And have had the fortune of being exposed to a lot more

Abdulwahab

In the Arabic language many amazing poems have been produced and are just wonderful, that being said, the Quran is only shunned by a person that denies reality, because the Qurans superiority is not a matter of faith, it is fact for whoever can understand and has been exposed the the Arabic language and has compared it to anything else

Abdulwahab

The Quran is the height of the Arabic language and that is fact

Abdulwahab

But keep in mind I do appreciate you guys

Musaylimah, a contemporary of Muhammad, claimed that he received revelations; some of his revelations are recorded. Ibn al-Muqaffa' was a critic of the Qur'an and reportedly made attempts to imitate it. Bashari ibn Burd (d. 784), Abul Atahiya (d. 828), Al-Mutanabbi (d. 965), and Al-Ma'arri (d. 1058) claimed that their writings surpassed Qur'an in eloquence

Paul

This type of Bayani Faith is dogma-free, but is based on principles from the Decalogue - i.e. the Unity of God, the commandments relating to interpersonal relationships and the relationship with God.

The Decalogue penetrated the revelation of Jesus, the Muhammad, the Bab, all the Abrahamic revelations draw from the "ten words" of Moses. All the books are translated in the spirit of Persian Bayan and refer to them.

Paul

The Decalogue is an indicator of how to distinguish between falsehood and truth. Moses worshipped the One God who does not incarnate in the flesh, and so did Muhammad, the Bab.

As for morality, the teachings are the same and universal.

Dear brothers

Paul

That's great , some jewish women scold me that each jewish heresy ,well jesus is prophet and Manifestation of God. I think this time ,prepare as for coming of dajjal/antichrist like said Quran and bible . Jews are sure that their talmudist messiah is true ,but Talmud isn't inspired by god ,is full of man made teachings . She just told me I'm heretic ,cause I preach Bayani faith as "true judaism,Christianity and islam". I think people will see as as islamic cult. We should cut off completely from Islam, judaism and Christianity , for sake of God and our better future. I preach that messiahs of Christianity, Islam and judaism bring only destruction. Messiah is only God none else

Paul

I see very bad times from holy books ,elites of the world lead the world to self destruction through immorality ,now wars ,short period of time and false peace . Some stupid Bahais and jews will prepare as for hell on earth trough "new world order" and world government , true promise of peace come after hell

25/11/2022, 08:27

Paul

My aim is not to spread fear, but what the Lord has shown me through His Spirit. The Dajjal will deny the existence of God, he will also deny that Jesus and Muhammad were prophets of God. He will deny that Moses was a prophet. He will mock intimacy with the Beloved Father from Heaven. He will bring peace and prosperity to those people who reject Allah and His Manifestation. The economic crisis and the current war between Russia and Ukraine is a preparation for his coming, he will claim to be the "Saviour of the Jews", he will reconcile Jews and Arabs to exalt himself in place of God. Otherwise, if we reconcile brothers with brothers, it will be a great act for God and not our exaltation. Dajjal is the first Nimrod, he will be popular among the elite, his fame will reach many. The rebuilding of the Third Temple will come from Bayani's command to make his place a light to the nations.

Paul

Prophecies always have a double meaning, e.g. Isaiah 53 speaks of Jesus and the future Messiah, who will be the "Prince of Peace", the manifestation of God on earth, who will distinguish between good and evil, who will have no room for religiousness and who will urge many people, through his "knowledge" (Isaiah), to do righteousness. God will become Lord of the whole earth, Jesus did not complete his mission, and "the one whom God reveals in the Manifesto" will bring about what God wants to be done.

What about the apparitions of Jesus and Mary? Did God send Satan to create illusions to test whether we are faithful to God or whether we believe foreign illusions? God proclaimed "Thou shalt have no other gods before me" (Exodus 20:3). Jesus, Mary & all the saints of Islam & Christianity have died. God commanded to worship Himself instead of turning to the dead in prayer. Those people who turn to the dead follow the path of Saul "because he was unfaithful to the LORD; he did not keep the word of the LORD and even consulted a medium for guidance" (1 Samuel 28:1-25). Because of this Saul became cursed "evil spirit from God is tormenting you" (1 Samuel 16:15).

Disputes

To be Bayani means to sincerely trust the Bab and sincerely follow his teachings contained in the book of Bayan.

Mirza Yahya was an opponent of the Baha'is, one was directed to fight the other, let us not take sides in this fraternal conflict.

Many friends of Baha's believers gave their lives for the faith, just as many Azali Babis gave their lives for their leader. It is not necessary to weigh the guilt nor is it necessary to hate one or the other, Azali Babis , Bahais , all are our friends, with all of them let us seek a relationship of friendship.

A similar dispute exists between Shia and Sunnis ,testants and Catholics, Jews and Christians, unending struggle is not the solution. It is necessary to put an end to the disputes, to love all people as brothers equally regardless of what they think and who they are.

Murder

Answer: God's love wins men's hearts, and grace is more precious than punishment and chastisement by God whether physical or spiritual. Punishment should be meted out justly , for cold-blooded murder the death penalty should be meted out. The Prophet Moses declared if you kill a murderer committing the act intentionally, "you will remove evil from among you" (Deuteronomy 17:7).

Paul

Answer: severity is the best punishment for a rapist, a man should be flogged as should a woman.
Stoning, capital punishment in cases other than murder, and the cutting off of hands are to be abolished because God has given man free will and he has the right to change his heart. Change is dearer to God than punishment, mercy is better than vengeance.
The prophet Ezekiel put it this way "Do I please the death of the wicked? declares the Sovereign Lord. Rather do I not rejoice when they turn from their ways and live?" (Ezekiel 18:23)

Punishment or bounty?

Not all punishments in the Quran are just. Not fair is - cutting off hands, killing without reason and stoning.
Reading the Tanakh shallowly, and not inferred from the context, one might suppose that for all punishments it is obligatory to kill the guilty party. From the context, however, it appears that the Law of Moses in Deuteronomy applied to the time when the Israelites entered the land of Canaan, G-d wished to teach them righteousness, otherwise they would all have perished in the desert. Canaan was a land of bounty to which they journeyed, G-d's bounty is sufficient for the sinner if he turns from his wicked ways.

Theft

Bloodshed is not the solution and answer to the Father's love. God is a Father and not an avenger seeking revenge. Moses permitted not cutting off hands but paying for a stolen item or "beating to death" (Exodus 22:2) which was later turned into imprisonment. Moses, therefore, allows not vengeance and punishment by death, but the law of grace and forgiveness in the form of payment for a stolen thing. The law of repayment for a stolen thing, is the best answer for the one who stole the thing resulting from poverty, hunger or lack of reason. The Israelites plundered other nations and God the Father did not inflict punishment on them because they were hungry? G-d is just and judges justly, He is not a creator seeking revenge.
G-d's promise is to punish here on earth all who break His law "Do not say, 'I'll do to them as they have done to me; I'll pay them back for what they did'" (Proverb 24:29).

Bayani Law

There is only One God the Father, not incarnate in any body, the only Savior of mankind
"Glory be to God, the One, indivisible, who was never begotten or created!"
(Pearls, Part 1, Sermon 1)
"I seek help from God, the one who created me, as my only Savior".
(Gem 124, part 1)
"He [God] cannot die, He cannot incarnate into an infinite number of deities, He is the Spirit who has always existed, and may He alone be exalted among the nations once and for all."
(Gem 126, part 1)
Do not worship idols
"We must not worship any man or woman, any likeness of man or woman, any animal, and we must not worship angels."
(Gem 258, part 1)
"I, the God of all the earth, will not give my worship to idols, nor to intermediaries, mortals or angels" (Gem, Sermon 6&7)
"No tongue shall then howl that foreign gods are true gods; the idols of clay and precious stones have perished!" (Gem 95, Part 1)
Do not curse God
"Do not curse as much as possible, but use gentle words, such as lift up the afflicted" (Gem 611)
Do not kill
"Do not be angry, but respect what is different and distinctive, everything that breathes deserves life, do not kill in the name of God. God does not distinguish one from another, He created everyone the same, He put love in them, do not turn away from it, be a friend of mankind" (Gem 52, part 1)
"Do not kill anyone, neither the child to be born, nor the various people whom God has created!" (Gem 102, part 1)
"He [God] is a Spirit who does not seek to kill a child, but to protect children from all harm and hardships of life" (Gem 293, part 1)
Discontinue immorality
"All lust, whether of women toward men or of men toward women, unless they are bound by marriage, is harmful, destroying true chastity and love" (Gem 290, part 1)
"Speech alone is not enough, it takes effort, sobriety and self-denial to resist temptation.
Temptations come from us, so wash away the filth from your mind, banish debauchery and greed of the flesh" (Gem 301, part 1)
Do not steal
"It is so important not to steal or take what is not yours and does not belong to you" (Gem 324, part 1)
Treat animals and people with respect
"And if you want a donkey to carry your baggage, as is rarely the case anymore."

Don't let any animal suffer, and strive earnestly to make sure that animals are respected, cared for and protected like humans. God will take care of any animal that is not treated according to His decrees, for He is the Wonderful Caretaker, the Physician of the souls of men and animals" (Gem 329 , part 1)
"Likewise, those who do not walk in the ways of righteousness abuse the rights of animals as much as the rights of humans; misfortune falls on wild animals as much as on innocent humans; thus the earth becomes defiled, and humans and gentle animals are deprived of respect and love because of the foolishness of humans. Therefore, do not allow any harm to be done to gentle animals and innocent people" (Gem 465 , part 1).
"If we love the Lord with all our strength, we will strive strenuously for justice, so that no harm will come to us from people and animals" (Gem 518 , part 1)
"My grace is with you, my love spreads to all creatures, both human and animal" (Gem 652, part 1)
Respect your parents
"May the heavenly love of father and mother surround the children , may the children also respect their parents" (Gem 649, part 1)
"Respect mother and father, if they deserve it, wrote the Lord of Wisdom on the tablet of my heart - they are indeed to be respected, as long as they do not harm anyone" (Gem, part 1, Sermon 2)
Do not cause any harm
"Be reasonable, be guided by reason, have a clear conscience, and do not harm your neighbors either in word or deed" (Gem 351, Part 1)

bayani.com is azalite site, and Bayani Faith from UK is not 100% pure teaching of the Bab, I think I follow the Bab in 90%, and Wahid Azal for example in 50% or less cause he admit he is still shite muslim. We follow the Bab (without Subh Azal) and his teachings, but religion is not perfect, because people are imperfect. This video is from splinter group of Bahai, I distrust it. Subh Azal wasnt not wrong, but we follow main prophet only

Paul

azalite babism is continuation of teachings of  hid Azal cult distort Bab teachings, we should follow orthodox path of Bab, and azalite babis writings site from Persia is trusted - many of them suffer from hands of muslim fanatics

Paul

if we not try to develop teachings of the Bab in our countries , his holy spark will disappear forever

Paul

Subh i Azal suffer more than Baha, Baha tried to kill Sub Azal but I do not neither of them. I think my advice is good, when we stay neutral and doesnt choose messiah for this age 😊

Paul

*but I do not follow neither of them

Paul

Bahais and Azalis both suffer a lot, our Babi Faith is via media, is not struggling with sectarian issue and we havent any guru or leader (Azal or Baha)

Paul

Baha borrowed many teachings from the Bab, but did not create anything new. Baha was a Shite Muslim, in fact he mixed many teachings , including from the Babi faith. Bahaism is not Babism, and Babism is not Islamic, while Bahaism is very Islamic ❤️

I quote Sufi scriptures, but we cut ourselves off from Islam , Christianity or Judaism 😊

dear brothers and sisters, I show attack of wahid  from last time

Paul
W. Azal pushed his way into the group twice, somehow, and intercepted this post, as proof of my "zionist", such accusations also affect bahais, christians etc. i don't care what this madman says, and takes the words out of my mouth.
My babism is the same as that of Iran, it is only more open and I interpret all the scriptures not only the Quran like Bahais 

Paul Schuhl added Rowena Dawn VanderPoel to the group.

Tues 08:02

Maybe my group is a cult, but I do not threaten or destroy people with words

 If my version of Babism is a cult, then W. Azal is leading a destructive cult

Paul 
Evidence "W. Azal has been at war with me for the past three years, but W. Azal's group is a cult, evidence,
- it is forbidden for groups other than its own to enter "However, trolls, Baha'is, fundamentalist Muslims, and dilettantes are not welcome here and will be blocked immediately".
I am happy to welcome followers of many religions on my group - Bahais, Christians, ex-Muslims, atheists, Jews etc.
For me, it is the human being that matters, not "belonging",
For W. Azal it is the "belonging" that counts first, not the human being, so it is not a religion but an offshoot of Babism, mixed with fanatical Islam, and the occult.

Paul
 Stay healthy, and hold on to the good things

Tues 09:01

Paul
I, Pawel Szul alias Paul Schul also using the nicknames Nurallah "light of God", or Nehorah "light", have been persecuted by Wahid Azal from the beginning, see how he himself tricks people, would you like to listen  Azal?
I am human and have made mistakes, I was brought up as an SDA (Seventh day Adventist), W. Azal was brought up as a Bahai, see how he treats W. Azal his former bahai brethren? It has no love, no compassion and no forgiveness - W. Azal religion is empty and useless.
I want to be a really small light for other people, I don't want people to walk in darkness.

 My statement

Paul

It is a waste of ink to write about Warlock (N. W. Azal) and his delusions, his words are from the gutter and are teachings of paganism, witchcraft and cursing. His speeches are like the words of warlock, he speaks for demons, and his idols - not for God. (Leviticus 20:27).
He uses intoxicants, like magicians and black witches, to attract evil forces.
A hadith says "The punishment of the sorcerer is a strike of the sword" (hadith Jami' at-Tirmidhi 3:15:1460). How should this verse be understood figuratively or literally? Only warlocks, magicians, and black witches can be struck by the power of the "sword" (Genesis 3:24) of the spiritual Sword of the Word of God, their curse will fade, their illusion will disappear, their strength will be rendered ineffective. There is no need to kill anyone without reason.

Paul

Threatening of W. Azal my group is "joke and cult"

Paul

Next week I spread my type of Babism through UU congregation in Bridport - W. Azal will have funn when my cult' growth in members - few thousand like islam do

Paul

UU will help develop my 'cult' & officially approve it
<https://thechapelinthegarden.com/>

My "cult" is not a joke, is reality

Keep everyone in health

Bye

Paul

W. Azal has blocked me on lulu bookstore - because I "stole" allegedly his picture "Haykal" - reported it and lulu considered it as plagiarism, unfortunately I will not stop looking for a spy from him and will throw him out. All posts will not be displayed on the group because they will be forwarded to the group mocking me "Paul Schuhl is NOT Bayani".

Paul

I will send all posts to the group - People of B., W. Azal will have nothing to send to slander and ridicule me

take care all

Quote "Now, contextualized by his psychiatrists under the rubric of a "Paranoid Schizophrenic" with "Delusions of Godhood" rather than, technically speaking, "the Self-Disclosed Theophany of Beautiful Magnificence and Majestic Scintillance"; the origins of N. Wahid Azal are to be found during the early twenty first century within his trolling and cyberstalking of the Baha'i that occurred in talk.religion.bahai Usenet group. During that period, and while in exile after being expelled from nearly every forum and email list to which he had ever subscribed; N. Wahid Azal proclaimed himself to be the universal messiah and penultimate divine messenger (or 'manifestation of God' in Baha'i technical language) come to establish a new global religious order that is to eventually succeed and supplant all religions and belief systems throughout the world. In time Azal has pioneered a new form of mind control cult made up only of himself" from blog (don't belong to me)
